

**GEORGIA BUREAU OF INVESTIGATION
REGION 10
INVESTIGATIVE SUMMARY**

10-0034-34-17

On Friday, August 5, 2016, at approximately 2:00 PM, the Georgia Bureau of Investigation Atlanta Regional Office was requested by the East Point Police Department to investigate a use of force, officer-involved shooting at 3129 Candlewood Dr, East Point, Fulton County, Georgia. On this date, the US Marshal's Task Force attempted to serve an arrest warrant and exchanged gunfire with a male in an apartment resulting in the death of the male. East Point Police Department was at the scene and requested assistance due to the incident occurring in their jurisdiction.

SA THOMAS was assigned as the case agent for this investigation.

**GEORGIA BUREAU OF INVESTIGATION
REGION 10
INVESTIGATIVE SUMMARY**

10-0034-34-17

On Friday, August 5, 2016, the East Point Police Department requested assistance from the Georgia Bureau of Investigation (GBI) Atlanta Regional Office in reference to an officer involved shooting that resulted in the death of JAMARION RASHAD ROBINSON. Special Agent CLINT THOMAS was assigned as the case agent.

At approximately 1:25 p.m., the United States Marshals Service (USMS) Task Force was serving felony arrest warrants for ROBINSON at an apartment complex in East Point, Georgia. The arrest warrants were for Criminal Attempt to Commit Arson in Gwinnett County and two (2) counts of Aggravated Assault on a Police Officer in Atlanta, Fulton County. The USMS Task Force positively identified ROBINSON through a maintenance worker that was allowed to enter Apartment D at the Parkside at Camp Creek apartments, by one of the renters of the apartment. ROBINSON refused to exit the apartment, so the USMS Task Force breached the door to the apartment. Once inside the apartment, Task Force Officers observed ROBINSON with a handgun and gave numerous verbal commands for ROBINSON to drop the weapon. ROBINSON attempted to fire the handgun, but the weapon jammed and Task Force Officers fired at ROBINSON. The Task Force Officers gave verbal commands again for ROBINSON to drop the weapon. ROBINSON fired approximately two (2) to three (3) rounds at the Officers, who returned fire and fatally wounded ROBINSON. ROBINSON died at the scene, and no Officers were injured during the exchange of gunfire.

Several non-law enforcement witnesses recorded videos of the incident which recorded Officers giving verbal commands to ROBINSON prior to shots being fired.

10-0034-34-17

During the crime scene examination, Agents recovered a .380 handgun and multiple spent rounds of the same caliber.

**GEORGIA BUREAU OF INVESTIGATION
REGION 10
INVESTIGATIVE SUMMARY**

10-0034-34-17

On Friday, August 5, 2016, at approximately 2:42 PM, Special Agent (SA) CLINTON THOMAS was located at 3129 Candlewood Drive, East Point, Fulton County, Georgia, for the purpose of receiving an initial briefing from East Point Police Department (EPPD) and the US Marshals Service (USMS). This investigative act was in reference to a request from the East Point Police Department for the Georgia Bureau of Investigation Atlanta Regional Office to investigate an officer involved shooting that resulted in the death of JAMARION ROBINSON. Present during the initial briefings were Major RUSSELL POPHAM (EPPD), Lt. S. BUCHANAN (EPPD), Chief Inspector KEITH BOOKER (USMS), and Supervisory Inspector JAMES "JIM" JOYNER (USMS). SA THOMAS was provided essentially the following:

ROBINSON was wanted for two (2) counts of aggravated assault upon a police officer for attempting to fire upon two (2) Atlanta Police Officers on July 27, 2016. ROBINSON was tracked to apartment D on 3129 Candlewood Drive and was believed to be staying with a female at that apartment. ROBINSON was confirmed to be in the apartment after he was observed looking out a front window on multiple occasions.

Task Force Officers (TFOs) were gathered together to attempt to serve the arrest warrants. The TFOs knocked and announced their presence and then breeched the door to apartment D at approximately 1:30 PM. Task Force Officers observed ROBINSON, armed with a handgun, at the top of the stairs inside the apartment. Numerous commands for ROBINSON to drop his weapon were given throughout the engagement. Gunfire was exchanged with ROBINSON who was subsequently

10-0034-34-17

incapacitated at the top of the stairs. TFOs used a "throw bot" to ensure that ROBINSON was not a threat before moving upstairs to pull ROBINSON down into the living room. A medic with the task force attempted to render aid.

Three (3) TFOs were identified as the personnel who fired their weapons. One TFO was identified as a Deputy US Marshal, another was with the Clayton County PD, and the third was with Fulton County PD. The TFOs were no longer at the scene; however, photographs were taken of every member on the team immediately following the incident. The weapons of the three (3) identified TFO's who engaged ROBINSON were secured in the vehicle of Supervisory Insp. JOYNER.

Immediately following securing the scene in apartment D, TFO's knocked and made entry into adjoining apartment E to ensure that no one was injured from rounds that appeared to have passed through the wall from apartment D into E. Apartment E belonged to a Captain with the East Point PD.

**GEORGIA BUREAU OF INVESTIGATION
REGION 10
INVESTIGATIVE SUMMARY**

10-0034-34-17

On Friday, August 5, 2016, at approximately 4:00 p.m., Special Agent (SA) JASTACIA CHEEKS was located at the Fulton County Police Department Criminal Investigations Division in Atlanta, Georgia, for the purpose of meeting with a Fulton County Magistrate Judge. This investigative act was in reference to a request by the East Point Police Department to investigate the officer involved shooting with the United States Marshals Southeast Regional Fugitive Task Force which resulted in the death of JAMARION ROBINSON.

SA CHEEKS presented Fulton County Magistrate JUDGE JEFFREY FRAZIER with an affidavit and application for a search warrant for the residence of 3129 Candlewood Drive, Apartment D, East Point, Georgia, as well as the person of ROBINSON. After reviewing the affidavits and applications for accuracy, JUDGE FRAZIER did sign the affidavits and applications for a search warrant. A copy of the affidavits and applications and search warrants will be attached to this investigative summary.

Contact with JUDGE FRAZIER concluded at approximately 4:30 p.m.

**GEORGIA BUREAU OF INVESTIGATION
REGION 10
INVESTIGATIVE SUMMARY**

10-0034-34-17

On Friday, August 5, 2016, at approximately 3:10 p.m., SPECIAL AGENT JOSH ELLIS was located at the Parkside at Camp Creek Apartment Complex near 3129 Candlewood Drive, Apartment D, in East Point, Fulton County, Georgia, to process a Use of Force Investigation at that location. A U.S. Marshal's Task Force had attempted to serve arrest warrants on a black male, later identified as JAMARION ROBINSON, at that location earlier on this date. An altercation had ensued in which ROBINSON was apparently killed by resulting gunfire. SA ELLIS noted the presence of multiple police officers and GBI Agents located at the scene upon his arrival.

SA ELLIS was briefed by SPECIAL AGENT IN CHARGE CYNTHIA ADKINS while en route to the scene. Little information was immediately available regarding this incident other than what had previously been indicated.

The dwelling located at 3129 Candlewood Drive in East Point, Fulton County, Georgia, was described as a multiple level, multifamily red brick and wood structure facing generally south toward parking spaces and Candlewood drive. Apartments D and E were located on the western side of this building, and were accessed by means of a suspended concrete walkway surrounded by handrails. SA ELLIS noted the presence of multiple apartments below ground level below this walkway. A set of concrete stairs was located west of the building leading to the lower apartments and to the exterior of the building.

There were scattered clouds, and it was 91 degrees Fahrenheit with 55% humidity

10-0034-34-17

at the time SA ELLIS began processing the scene. The scene was secured with yellow barrier tape and the presence of multiple local officers. SA ELLIS photographed the scene using a Nikon D7100 digital camera. These photographs are attached. SA ELLIS also scanned the scene using a Leica C-10 scanner. The data from these scans, snapshots, and Truviews from these scans are attached. SA ELLIS also later captured the attached Google map of the area. SA ELLIS also completed the attached Crime Scene Sketch. SA ELLIS was assisted with processing the scene by SA JERRI LYNN COODY, SA CLINT THOMAS, and SAC ADKINS.

SA ELLIS noted that a Search Warrant was sought for Apartment D. SA ELLIS was also informed that consent had been given to search Apartment E. Apartment D was the main focus of this investigation. Apartment E appeared to not have been directly involved in this case, but was indirectly damaged during the course of this incident. No processing took place inside Apartment D prior to obtaining the search warrant.

SA ELLIS began processing the scene below ground level near the southwest corner of the building. This area consisted of the stairs leading to the lower apartments and under the previously described suspended walkway leading to apartment D and E. SA ELLIS noted that numerous shell casings were located in this area, and that the majority of those shell casings were marked with yellow numbered placards prior to SA ELLIS' arrival. The shell casings were located in the general location near the southwest corner of the building and walkways as follows:

Placard 1: One (1) WMA 14 .40 shell case

Placard 2: One (1) WMA 14 .40 shell case

10-0034-34-17

Placard 3. One (1) WMA 14 .40 shell case

Placard 4: One (1) WMA 14 .40 shell case

Placard 5: One (1) Winchester .40 shell case

Placard 6: One (1) WMA 14 .40 shell case

An additional shell case was discovered near the gutter downspout located on the southwest corner of the building and marked with Placard B.

Placard B: One (1) WMA 14 .40 shell case

The shell casings were listed as Items 1 - 6, and 23 respectively, Inventory # BB13164.

SA ELLIS then returned to the suspended walkway leading to Apartment D and E. Yellow numbered placards had already been distributed in this area. Shell casings were located in this area. Placard 7 was located on the walkway itself. The remaining shell casings were located on the landing in this area. Placards 8 and 9 were located near the southwest corner of the landing. Placards 10 - 15A, and 18 -20 were located near and in front of the doorway of Apartment D. Placard 16 was located in front of Apartment E. Placard 17 was located near the southeast corner of the landing. SA ELLIS noted that a stack of Placards, including Placard 21, was placed near the doorway of Apartment E. This stack of Placards was not marking evidence, but were photographed in the original walk through photographs and were later moved. The shell casings at the Placards were as follows:

Placard 7: One (1) Winchester .40 shell case

Placard 8: One (1) Winchester .40 shell case

10-0034-34-17

Placard 9: One (1) Winchester .40 shell case
Placard 10: One (1) Winchester .40 shell case
Placard 11. One (1) Winchester .40 shell case
Placard 12: One (1) WIN 9mm shell case
Placard 13: One (1) Winchester .40 shell case
Placard 14: One (1) Winchester .40 shell case
Placard 15A: One (1) Winchester .40 shell case
Placard 16: One (1) WIN 9mm shell case
Placard 17: One (1) WIN 9mm shell case
Placard 18: One (1) WMA 14 .40 shell case
Placard 19: One (1) Winchester .40 shell case
Placard 20:One (1) WMA 14 .40 shell case

These shell casings were listed as Items 7 - 20 respectively, Inventory # BB13164.

A .40 Caliber 15 round magazine containing what appeared to be eight (8) WMA 14 .40 caliber rounds. This magazine was designated 15B, was in the vicinity of Placard 15 near the doorway of Apartment D, and marked with Inventory # BB13165.

One red in color "AA" brand shotgun shell (Placard A) was located near the retaining wall east of the suspended walkway. This shotgun shell appeared to be old as it was corroded and covered with dirt and other debris. This shotgun shell was marked as Item 22, Inventory # BB13164.

A final WMA 14 shell case (Placard 21) was discovered in the parking area south of this building. This shell case was marked Item 21, Inventory # BB13164.

10-0034-34-17

SA ELLIS then entered into Apartment D. SA ELLIS noted that the exterior surface of the door was damaged apparently when entry was made into the apartment. Damage was also noted to the door frame. The deadbolt was extended with the striker plate and screws which held the plate to the door frame hanging from the extended deadbolt. The wood around this deadbolt was also cracked. Splintered wood from this doorway was located on the floor in the vicinity of the frame.

The southern entrance to the residence entered into a living room area. A window was west of the doorway facing south toward the parking area of the building. A futon type couch was located below this window. A black in color leather loveseat was located along the western wall of this area. A black in color end table was located on each side of this couch. A second futon was located along the north wall of this area. A kitchen was located north of this area. Large speakers with a television on top of them was located on the east wall of this area. The body of a black male, later identified as JAMARION ROBINSON, was located on the floor between the loveseat and these speakers. The black male will be described in greater detail later in this summary. Stairs were located immediately east of the southern doorway and led to the second floor of the apartment.

The area immediately inside the doorway and the living room contained multiple shell casings and other evidence. The shell casings were marked arbitrarily using yellow numbered placards. Because of the number of shell casings and other small pieces of evidence located in such a relatively small area, the location of this evidence will be described in general terms. For more specific locations, refer to the attached crime scene photos. Item numbers and descriptions of individual shell casings and other evidence will be noted in the attachment portion of this summary.

10-0034-34-17

SA ELLIS began processing the area near the southwest corner of the living room. Multiple shell casings were located in this area, including on the floor (Placards 22, 25, 26A) and on the surface of the futon (Placards 23, 24) and under the futon (Placards 38, 39). Upon moving this futon, additional shell casings were discovered at Placards 26B, 87A, 87B, 88A, 88B, 89, 90, 91A, and 91B.

Shell casings (Placards 27, 28) were located between the previously described loveseat and the body of ROBINSON.

Multiple items of evidence were located east of the body of ROBINSON and the west wall of the living room including a projectile fragment (Placard 29), and shell casings at Placards 30, 31, 32, 33, 34, 35, 36, 37, and 86.

An area of linoleum was located on the floor immediately inside the entryway of the residence. A cluster of evidence was located near the northwest corner of this linoleum including two (2) empty .40 caliber 15 round, Glock magazines (Placards 40, 41) and shell casings located at Placards 42 and 46. The magazines contained white lettering on the baseplate possibly reading "EAN" or "EA4". These magazines were marked as Items 1 and 2 respectively, Inventory # BB13167.

Shell casings were clustered near the entryway to the residence near Placards 43, 44, 45, 62, 63, 64A, 64B, 65, and 66. Placard 61 marked a live WMA 14 cartridge. SA ELLIS noted that Placards 61-65 were immediately in front of the doorway. Due to the proximity of the media and bystanders, this evidence was collected and the placards moved to facilitate entry of the scanner and obscuring the body from public view. For these reasons, the placards do not appear in later photographs or the

10-0034-34-17

scans of the scene.

The floor and stairway leading up to the second floor contained numerous items of evidence. A shell case (Placard 47) was located on the floor near the southwest corner of the stairwell. The first stair contained shell casings at Placards 48, 49, 50, 51, 55, 56, 57, and 58. The second stair contained shell casings at Placards 52, 53, and 59. The third stair contained shell casings at Placards 54 and 60.

Shell casings were arranged in a roughly semicircular fashion along the south and west walls of the area at the foot of the stairs. Shell casings were located at Placards 67, 68, 69, 70, 71, 72, 73A, 73B, 74, 75, 76, 77A, 77B, 78A, 78B, 78C, 79, 80A, 80B, 81A, and 81B. The pin, apparently from a flashbang grenade, was located at 67B. This pin was marked as Item 1, Inventory # BB13169. SA ELLIS also noted that a brown in color shoe containing suspected bloodstains was located in the southeast corner of this area.

All of the previously described shell casings and projectiles from the interior of the apartment were listed under Inventory # BB13166. For specifics of each shell case and the associated item number, refer to the itemized list at the end of this summary.

SA ELLIS then returned to the body of ROBINSON. The body was in a supine position with the head in a generally southern direction. The arms were positioned near the trunk of the body with the hands obscured under the body behind the back. The lower legs were crossed with the left leg over the right leg. The head was covered with a white in color cloth. An oxygen tank was located near the vicinity of the left shoulder with tubing leading to a mask placed over the face. Multiple tattoos

10-0034-34-17

could be seen on the upper arms and chest of the subject. White in color material, believed to be a T-shirt, was located between the trunk of the body, and the left and right arms. The lower body was clothed in black and white in color Adidas athletic pants with underlying purple in color shorts. A brown in color belt could be seen near the right hip of the body. A brown in color shoe, similar to the one described at the foots of the stairs, was located on the left foot. Black in color socks covered the feet.

Bloodstains led from the west side of the stairs, west across the described linoleum and carpeting of the living room, to the east side of the body. These bloodstains appeared to be drag marks from the stairs to the present location of the body.

Multiple defects were noted on the body, but due to the number and complexity of the injuries they will not be individually described here. The majority of the injuries appeared to be on the anterior of the right side of the body, though for specific information regarding injuries to the body see the Fulton County Medical Examiner's Autopsy report.

The body was moved in the presence of Fulton County Medical Examiner's INVESTIGATOR CLINT HARBIN. Upon turning the body, it was noted that the arms were restrained with handcuffs. The body and the brown in color shoe from the southeastern corner of the room were released to INVESTIGATOR HARBIN at approximately 7:50 p.m. Further documentation regarding the body of ROBINSON was handled by the Medical Examiner's Office (Case # 16-1617).

A kitchen was located north of the living room. The kitchen did not appear to have been involved in the altercation. SA ELLIS noted there were burned portions on the

10-0034-34-17

linoleum in the kitchen that again, did not appear to be involved in the current incident.

SA ELLIS noted multiple defects in the walls of the apartment. Defects will be described here. Measurements will be noted at the end of this summary.

SA ELLIS noted multiple defects in the walls of the living room area. The defects were marked with numbers arbitrarily as they were discovered. These numbers should not be construed as sequencing of these defects. Two (2) defects (#1, #2) were noted on the western face of the east wall of the living room leading near the stairway. These defects indicated a generally upward and to the right direction. Six (6) similar defects (#3 - #8) were noted on the south face of the eastern living room wall. Again these defects appeared to be upward and to the right toward the landing at the top of the stairwell.

Multiple items of evidence were located on the stairs leading up to this landing. A projectile fragment (Placard 85) was located on the fifth step from the top of the stairs. A PMC .380 shell case (Placard 83) and a grenade spoon (Placard 84) were located on the sixth stair from the top. A second PMC .380 auto shell case (Placard 82) was located on the seventh stair from the top of the stairs. The projectile fragment from Placard 85 and shell casings from Placards 82 and 83 were listed as Items 1 - 3 respectively, Inventory # BB13168. The spoon was marked as Item 2, # BB13169.

Multiple defects were noted on the western wall of this stairwell. Defect #9 was located near the southern extreme of the wall. This defect appeared to coincide with Defect #8 and displayed an upward angle to the right. Defect #10 was located near

10-0034-34-17

the approximate center of the wall, and also appeared to display an upward angle.

Defects #11 and #12 were north and above Defect #10, and appeared to display a downward trajectory to the right toward the door of the residence.

Defects #13 - #15 were located on the wall near the upper portion of the landing.

Defects #13 and #14 appeared to indicate an upward angle to the right. Defect #15 appeared to strike the wall where it transitioned to carpeting. An unmarked defect later identified as Defect #15A was located in the white baseboard on the west side of the first stair. This defect also indicated an upward trajectory. Numerous defects were also noted in the carpet of the top of the landing and appeared to have an upward trajectory.

A vacuum cleaner was located in the northeast corner of the landing. The cord from this vacuum cleaner was located on the top stairs below this landing and displayed damage. Multiple projectile fragments were intermixed in this cord on the first stair below the landing. Fragments from this area were marked as Item 1a, Inventory # BB13170.

Multiple defects (Defects #16- #23) were located on the eastern wall and handrail of the stairwell near its northern extreme. These defects indicated a trajectory generally upward and to the right. Defects #24 and #25 were also located on the wall near the transition of the stairs to the landing. Defect #24 was low on the wall above the white baseboard. This defect was higher on the wall, but in the same general area. This defect also appeared to indicate a trajectory upward and to the right.

10-0034-34-17

The landing led to two (2) bedrooms and a bathroom. The immediate area of the landing contained numerous pieces of evidence and bloodstains. The walls to the east and north of the landing contained numerous bloodstains consistent with those formed by high energy impacts and more passive stains. The floor contained numerous bloodstains and appeared to be the origin of the bloodstains leading down the stairs and to the body of ROBINSON.

A Hi-Point Firearms 380 ACP, Model CF380 Handgun, Serial # P895315, was located on this landing. The weapon was covered in blood. The muzzle was pointed in a generally southeastern direction. The safety on the weapon was off. The magazine of the weapon was empty. Upon clearing the weapon, SA ELLIS noted metal fragments, apparently from a projectile, were located within the chamber of the weapon. This weapon was marked with Inventory # BB13172.

The body of a CTS Model 7290 flashbang grenade was located north of the 380 firearm. The grenade had apparently detonated in this area due to the staining of the carpet and adjacent wall to the north. This grenade body was marked as Item 3, Inventory # BB13169.

A cylinder shaped surveillance drone, or robot, was located on this landing. This robot provided live surveillance, but did not record any part of this incident. This robot was released to the U.S. Marshal's Office by SAC CYNTHIA ADKINS.

Two (2) live PMC brand .380 auto cartridges were located on the landing. These cartridges were marked as Item 4, Inventory # BB13168.

Multiple projectile fragments were scattered on the landing. These fragments were

10-0034-34-17

marked as Item 1b, Inventory # BB13170

Multiple defects (Defects #26 - #32) were located on the eastern wall of this landing near a closet door on the north wall. Each of the defects appeared to indicate an upward trajectory to the right.

Multiple defects were located in the closet door (Defects #33 - #37) were in this same general area. The defects were more circular in shape making determination of trajectory more difficult. They generally appeared to rise at an upward angle however. Multiple projectile fragments were discovered within the closet. The fragments were marked as Item 1c, Inventory # BB13170.

Multiple defects were located to the west of this closet door (Defects #38 - #44). These defects were generally circular as well, but again appeared to indicate a generally upward angle. SA ELLIS noted that two (2) additional defects were not marked in the photographs but were designated Defects #45 and #46. A laundry basket was located west of these defects. A projectile fragment was located within this basket. This fragment was marked as Item 1d, Inventory # BB13170.

The landing led to a bedroom to the northwest, designated Bedroom 1. This bedroom contained a window located on the north wall. The white in color mini-blinds contained a defect in one of the upper slats (B1). The window was not broken and a projectile fragment was located on top of the lower sliding portion of the window. Suspected bloodstains were located on the wall next to this window.

Defects were located east of this window (B2, B3). A closet was partially open and contained a defect in the partially open door (B5) and the wall behind this door (B4).

10-0034-34-17

A trajectory rod inserted into defects B4 and B5 indicated an upward angle from right to left. SA ELLIS cautions that this rod was inserted into these defects for demonstrative purposes only. The position of the door during the shooting was unknown.

Search of the room revealed a projectile on a laundry basket in the closet and near the open closet doorway.

The fragments from the window, laundry basket, and near the closet door were marked as Items 2a, 2b, and 2c respectively, Inventory # BB13170.

A bathroom was located south of bedroom 1. A projectile fragment was located on a pink washcloth on the floor of this bathroom. This fragment was marked as Item 3, # BB13170.

A second bedroom designated bedroom 2 was located south of this bathroom. Three (3)defects were located low on the wall on the east wall of the bedroom near the entrance to the room. These defects were marked as B2 1, B2 2, and B2 3. These defects appeared to indicate a down and outward trajectory away from the wall, and appeared to be connected to Defects 11 and 12 of the western wall of the stairwell. A defect was discovered in the carpet slightly south and east of these defects. Cutting the carpet in this area revealed damage to the underlying subfloor, but no projectiles.

A projectile and a fragment was located near the foot of the bed located along the western wall in this room. A second similar projectile was located in the vicinity of the closet door located near the southeast closet door of the bedroom. Another

10-0034-34-17

fragment was located within the closet. The projectiles were marked as Items 5 and 6 respectively, # BB13168.

The fragment from the foot of the bed and the closet were marked as Items 4a and 4b, Inventory # BB13170.

SA ELLIS searched Apartment E which was located east of Apartment D. The apartment appeared to be a mirror image of the previously described apartment. The apartment door appeared to have been damaged in the same manner of the previously described apartment.

A stairway was located on the west side of the apartment which led to the second floor. Defects were noted on the upper portion of this stairway (E1 - E4).

A projectile was recovered at the top of these stairs. Two (2) additional defects were noted on the lower western side of the linen closet (Defects E5, E6). Upon opening the door, a projectile was discovered lodged in a blanket on the lower portion of the closet, traveled through a pillow located on a lower shelf of the closet, and partially embedded in the wall of the closet, surrounded by batting.

The projectile from the stairs, the blanket, and the wall were marked as Items 1 -3 respectively, # BB13171.

A defect (E7) was located to the east of this closet. Another defect (E8) was located on the north side of the bedroom wall of the bedroom located east of the closet.

At the conclusion of processing the scene, SA ELLIS was provided by SA CLINT

10-0034-34-17

THOMAS with one (1) HK UMP .40 caliber rifle, Serial # 162-001460, with three (3) associated magazines. One magazine contained three (3) Winchester brand rounds, one magazine contained 13 Winchester brand rounds, and one magazine contained 21 Winchester brand rounds and one (1) Federal brand round. A single Winchester brand round was described as coming from the chamber of the weapon. These items were listed as Items 1 -3 on GBI Receipt for Property E-548854 (see attached). SA ELLIS noted that the round removed from the chamber was included in the round count of Item # 1. These items were later transferred to Inventory # BB13173.

SA ELLIS also received one(1) MP5 9mm rifle, Serial # 62-369489, with one magazine containing 16 WIN brand rounds and one magazine containing 30 WIN brand rounds. A single WIN brand round was reportedly removed from the chamber. These items were listed as Items 4 and 5 on GBI Receipt for Property E-548854. SA ELLIS noted that the loose round was included in the round count of Item # 5. These items were later transferred to Inventory # BB13174.

SA ELLIS received one (1) Glock Model 22, .40 caliber pistol, Serial # FEV771, with an associated magazine that contained three (3) Federal Brand rounds and seven (7) Winchester brand rounds. A loose Winchester brand round was reportedly removed from the chamber of the weapon. This firearm was listed as Item 6, GBI Receipt for Property E-548854. SA ELLIS noted that the green in color holster and tactical light were provided with this weapon. The loose round was included with the round count of this weapon. The weapon was later transferred to Inventory # BB13175.

SA ELLIS concluded processing the scene at approximately 10:00 p.m. The scene

10-0034-34-17

was then released to the East Point Police Department. SA ELLIS left the area shortly thereafter.

**GEORGIA BUREAU OF INVESTIGATION
REGION 10
INVESTIGATIVE SUMMARY**

10-0034-34-17

On Friday, August 5, 2016, at approximately 4:09 PM, Special Agent (SA) CLINTON THOMAS was located at 3129 Candlewood Dr, East Point, Fulton County, Georgia, for the purpose of collecting weapons and conducting round counts as part of a use of force investigation. This investigative act was in reference to a request from the East Point Police Department for the Georgia Bureau of Investigation Atlanta Regional Office to investigate a use of force incident that resulted in the death of JAMARION ROBINSON.

Supervisory Inspector JAMES "JIM" JOYNER with the US Marshal Service (USMS) retrieved three (3) weapons used by Task Force Officers (TFOs) from inside his locked vehicle and provided them to SA THOMAS. Insp. JOYNER indicated that the weapons were turned directly over to him from each of the officers at approximately 1:45 PM. SA THOMAS conducted a round count of each weapon in the presence of Investigator JEFF MAY, TFO with the USMS.

An H&K UMP .40 bearing serial number 162-001460 was assigned to TFO DANNY DOYLE. The weapon had one (1) round in the chamber and 22 rounds in a 30-round magazine. Two (2) spare magazines containing 3 rounds and 13 rounds each were also turned over along with the weapon. SA THOMAS was advised that DOYLE typically loaded his magazines with 28 rounds.

An MP5 9mm bearing serial number 62-369489 was assigned to TFO KRIS HUTCHENS. The weapon had one (1) round in the chamber and 15 rounds in the magazine. A spare magazine, which was attached to the primary magazine,

10-0034-34-17

contained 31 rounds.

A Glock 22 .40 caliber bearing serial number FEV771 was assigned to US Marshal ERIC HEINZE. The weapon had one (1) round in the chamber and 10 rounds in a 15-round magazine.

The weapons and load-outs were photographed. The photographs will be attached to this summary.

The above weapons, magazines, and ammunition were documented on GBI Receipt for Property E-548854. The evidence was turned over to CSS JOSH ELLIS.

REGION 10
INVESTIGATIVE SUMMARY**

10-0034-34-17

On Friday, August 5, 2016, at approximately 4:15 p.m., Special Agent (SA) JAN ROULAIN was located near 3129 Candlewood Drive, Atlanta, Fulton County, Georgia, to interview LANCE MCFALLS, a witness in this investigation. This investigative act was in reference to a request from the East Point Police Department for the Georgia Bureau of Investigation (GBI) Atlanta Regional Office to investigate an officer involved shooting with the United States Marshals Service (USMS) Task Force that resulted in the death of JAMARION ROBINSON. MCFALLS stated essentially the following:

MCFALLS was a foreman at the property and was working on construction at Building 3151. MCFALLS had just returned from lunch when he saw the police at the apartment next door. MCFALLS began recording the incident on Facebook live. MCFALLS heard the police knock on the door and say "Police, open up". MCFALLS heard the police say "drop your weapon". MCFALLS heard shots fired and saw a man wearing a red shirt with a long gun. MCFALLS did not see police markings on the person wearing the red shirt. All of the other people that MCFALLS saw had police markings and had their handguns drawn. MCFALL saw eight (8) people standing to the right or left side of the door. Everyone was focused on the door. It sounded like more than one person fired shots. The shots fired were simultaneous, and there was a long delay between some of the shots fired. MCFALLS did not know the people inside the apartment.

The interview was concluded at approximately 4:20 p.m. SA ROULAIN attempted to record the interview with MCFALLS; however, the recorder malfunctioned and the

10-0034-34-17

interview was not recorded. SA ROULAIN attempted to get a copy of the live recording from MCFALLS. The recording was saved and archived on social media; however, when SA ROULAIN attempted to retrieve it to upload it into the GBI Case Management system, the recording was no longer available. The GBI Intelligence Unit was able to obtain a copy of the video taken by MCFALLS and shared with the news media (see attached).

**GEORGIA BUREAU OF INVESTIGATION
REGION 10
INVESTIGATIVE SUMMARY**

10-0034-34-17

On Saturday, August 6, 2016, at approximately 11:18 AM, Special Agents (SA) CLINTON THOMAS and STEVEN MCCALLUM were located at the US Marshal's Office in Atlanta, Clayton County, GA for the purpose of interviewing Detective DANIEL "DANNY" DOYLE of the Fulton County Police Department, detached to the US Marshal's Service (USMS). This investigative act was in reference to a request from the East Point Police Department for the Georgia Bureau of Investigation Atlanta Regional Office to investigate a use of force incident that resulted in the death of JAMARION ROBINSON. Det. DOYLE was identified as one (1) of three (3) officers who fired their weapons. Also present during the interview was FLEO attorney LAWRENCE BERGER (via teleconference) and attorney SCOTT SMITH.

Prior to questioning, Det. DOYLE was advised that this investigation was to determine whether any criminal laws had been violated that resulted in the death of JAMARION ROBINSON. It was not an administrative or disciplinary inquiry. He was not being compelled to give any statements or answer any questions and his cooperation in this investigation was voluntary. Det. DOYLE indicated that he was willing to be interviewed and stated essentially the following:

He was familiar with the case against ROBINSON based on media reports from an earlier incident in which ROBINSON attempted to fire upon APD officers but apparently had a weapon malfunction. On Friday, August 5, Det. DOYLE learned from USMS TFO O'HARE (Atlanta Police Detective) that he had a potential lead on the location of ROBINSON in East Point. Later on this same date, Det. DOYLE received a text from Det. O'HARE requesting assistance in serving arrest warrants

10-0034-34-17

for ROBINSON.

Several members of the USMS Task Force met at a location to conduct a pre-operational briefing led by Det. O'HARE. It was relayed that ROBINSON had warrants based on an attempt to burn his mother's residence while she was at home and for the previous incident in which ROBINSON attempted to fire upon APD officers. Information about recent mental issues with ROBINSON were also disclosed, including information that ROBINSON may have told others that he would not go to jail and would "shoot it out" with police. It was also learned that ROBINSON was a former football player and track athlete, so there were concerns that he would be a potential flight risk. Following the briefing on ROBINSON, the team went over the operations' plan, as well as the medical plan with the tactical medic that was assigned to the team.

The team moved to the target location, set a perimeter team around the location, and then proceeded to move toward the apartment. The plan was to conduct a knock-and-announce once the perimeter was secured. As they approached, Det. DOYLE observed a "peephole" in one of the windows to the apartment. Once the team was in place, Det. O'HARE gave the go-ahead to begin knocking. One of the team members began knocking on the door and announcing, "police department, police department, open the door". Several attempts to knock-and-announce were made in which team members announced "police department, we have a warrant" and "police department come to the door".

When no response was received from the multiple attempts to knock-and-announce, Det. O'HARE gave the command to breech the door. The breecher came up and rammed open the door which opened to the right. The team posted up at the door

10-0034-34-17

with the shield operator (later identified as Inspector ERIC HEINZE) to the right side of the opening, the second member (later identified as Officer KRIS HUTCHENS) posted on the left side of the door, and then Det. DOYLE moved in between the two once the door swung open. The team continued to shout out, "police department we have a warrant" and Det. DOYLE yelled, "shout out if you can hear me". The team did not receive a response after multiple attempts so the front three members moved just inside the doorway to get a better view inside the apartment.

Insp. HEINZE moved in first so that he could observe the stairway that was to the right of the front door. Upon entering, he called out "contact" and began issuing verbal commands for ROBINSON to show his hands. Det. DOYLE then moved next to Insp. HEINZE so that he could get a better view up the stairs. ROBINSON then stepped out into Det. DOYLE's view and raised a weapon in his direction. Det. DOYLE fired a burst from his weapon into the chest of ROBINSON. He also heard Insp. HEINZE engage with his weapon. Det. DOYLE saw shots hit ROBINSON, who then stepped back behind a wall. Det. DOYLE called out to ROBINSON, telling him to drop his gun and come out, to which ROBINSON simply replied, "no". The team kept yelling for ROBINSON to come out. ROBINSON then partially came into view, then fully came out and raised the gun again. Det. DOYLE stated that he was concerned that ROBINSON was going to shoot him or his team members, so he fired another burst at ROBINSON. ROBINSON again stepped behind the wall and the team yelled for him to drop his weapon and come out. Again, ROBINSON replied, "no".

Det. DOYLE heard a couple of muffled gunshots and the sound of a gun "racking" from the direction of ROBINSON during the ongoing exchange. He indicated that he heard the sound of the gun "racking" three (3) separate times.

10-0034-34-17

ROBINSON then partially stepped out again, at which time Det. DOYLE could see that ROBINSON's left hand and chest had several gunshot wounds. ROBINSON then stepped out fully and pressed the gun in the direction of the team, so Det. DOYLE fired a burst into the left hip of ROBINSON, who then collapsed to the floor at the top of the stairs, with his legs hanging down the stairs. Det. DOYLE could see that ROBINSON was still moving and breathing, so he told ROBINSON numerous times to raise his hands, to which ROBINSON again replied, "no". ROBINSON then raised his right hand up with the gun, so Det. DOYLE fired another burst into ROBINSON's midsection. Again, verbal commands were given to ROBINSON to drop the gun and raise his hands, but ROBINSON raised the gun up again. Det. DOYLE fired another burst and ROBINSON went limp, but still appeared to be breathing.

The team issued additional commands, but did not receive a response. They believed that he was unconscious, but were still unsure if he had the gun. The team deployed a flash-bang to confirm that he was unconscious. Officer HUTCHENS deployed the flash-bang which went off near ROBINSON, but it did not elicit a response. TFO JOSH MAUNHEY tossed a recon robot up the stairs and indicated to the team that he saw that the gun was on the ground to the left side of ROBINSON.

Part of the team cleared the ground floor and then two (2) members moved up the stairs to ROBINSON who appeared to be unconscious, but breathing. The two quickly scanned the upstairs portion of the apartment and then called for TFO WILLIAM SAULS to move up and pull ROBINSON down to the living room. Once ROBINSON was downstairs, the team called for the medic to come in and begin treatment of ROBINSON. EMS provided additional treatment to ROBINSON. Det.

10-0034-34-17

DOYLE recalled that EMS were called after the shots fired call went out.

Det. DOYLE provided additional details regarding the engagement with ROBINSON. He stated that he had approximately five (5) to seven (7) bursts fired from his weapon and that he changed the magazines on his weapon two (2) times. Insp. HEINZE was armed with a shield and handgun, and Officer HUTCHENS was armed with an MP5. At some point during the engagement, Insp. HEINZE indicated that he had a weapon malfunction, so Det. DOYLE stepped in front of him until he could clear his weapon and make it ready again. He also recalled that during one of the engagements with ROBINSON, he had moved to the left to give Insp. HEINZE space and had fired his weapon into the corner of the wall leading up the stairs to pin down ROBINSON and protect HEINZE. He believed that he, Officer HUTCHENS, and Insp. HEINZE were the only team members with a view of ROBINSON based on their positions. The lighting in the stairwell was adequate and was amplified by the weapons' lights operated by Det. DOYLE and others. There were no audio or video recordings captured by the task force members.

Det. DOYLE provided a sketch of the apartment depicting the approximate positions of the team members and ROBINSON during the engagement. The sketch will be scanned and attached to this summary.

Det. DOYLE was wearing a full tactical vest marked with Police and US Marshals' decals on the front and back.

Det. DOYLE had been with the Fulton County Police Department for approximately 16 years, with the last 10 years as a member of the USMS task force. He had additional law enforcement prior to Fulton County, with a total of 29 years in law

10-0034-34-17

enforcement.

The interview with Det. DOYLE concluded at approximately 12:00 PM. The above is merely a summation of the interview; for additional details, refer to the attached audio recording.

**GEORGIA BUREAU OF INVESTIGATION
REGION 10
INVESTIGATIVE SUMMARY**

10-0034-34-17

On Friday, August 5, 2016, at approximately 7:00 p.m., Special Agent in Charge CYNTHIA ADKINS was located at the Parkside at Camp Creek apartments in East Point, Georgia. SAC ADKINS previously left a voicemail at 4:43 p.m. for BEVERLY NIXON, who was the grandmother of JAMARION ROBINSON. At approximately 7:00 p.m., SAC ADKINS was told by an East Point Police Officer securing the crime scene that NIXON was at the scene. SAC ADKINS introduced herself to NIXON. SAC ADKINS asked NIXON if ROBINSON had a tattoo of her name "BEVERLY" on his stomach, and she stated yes. SAC ADKINS asked if ROBINSON had a tattoo of a "money tree" on his left arm/bicep, and she stated yes. At that time, SAC ADKINS conducted a death notification with NIXON.

NIXON stated that ROBINSON had mental health issues, and that he was very paranoid. She stated that ROBINSON did not take his medication because it made him sleepy and he didn't like that. NIXON stated that ROBINSON sometimes lived with her. She stated that ROBINSON was on probation for driving without a license. NIXON did not know how ROBINSON would have gotten a gun.

NIXON could provide no further information, so SAC ADKINS provided her with a business card and the interview ended.

10-0034-34-17

On Friday, August 5, 2016, at approximately 4:50 p.m., Special Agent in Charge CYNTHIA ADKINS was located at the Parkside at Camp Creek apartments in East Point, Georgia. SAC ADKINS received a phone call from MONTERIA ROBINSON who was the mother of JAMARION ROBINSON. SAC ADKINS left a voicemail for MONTERIA approximately five (5) minutes earlier on this same date. SAC ADKINS confirmed that MONTERIA was JAMARION'S mother. MONTERIA stated that she lived in Lawrenceville, and was unable to get to East Point at that time. Due to that fact, SAC ADKINS conducted a death notification over the phone. MONTERIA stated that she called the police on JAMARION approximately three (3) weeks ago, because "he was trying to do things to her". MONTERIA stated that JAMARION was schizophrenic, but wouldn't take his medication so he was very paranoid. MONTERIA knew that the police were looking for JAMARION.

MONTERIA was understandably upset and was unable to speak anymore to SAC ADKINS.

**GEORGIA BUREAU OF INVESTIGATION
REGION 10
INVESTIGATIVE SUMMARY**

10-0034-34-17

On Friday, August 5, 2016, at approximately 4:29 p.m. Special Agent (SA) JAN ROULAIN was located at 3129 Candlewood Drive, East Point, Fulton County, Georgia to interview DARTANGYALA WHITE, apartment tenant and friend of JAMARION ROBINSON, subject in this investigation. This investigative act was in reference to a request from the East Point Police Department for the Georgia Bureau of Investigation (GBI) Atlanta Regional Office to investigate an officer involved shooting with the United States Marshals Service (USMS) Task Force that resulted in the death of ROBINSON. WHITE stated essentially the following:

WHITE rented apartment D and was the only person on the lease. Her friend, JASMINE BUNCOM, stayed with her sometimes. BUNCOM returned from California on Monday or Tuesday, but BUNCOM mostly stayed with her boyfriend. WHITE met ROBINSON when they attended Clark Atlanta College and had known him five (5) years. ROBINSON did not live with her. ROBINSON showed up at her apartment on Tuesday, but did not stay. ROBINSON would come over, leave, and come back. ROBINSON did not have a key to her apartment.

WHITE left for work on this date and had to be at work at 8:15 a.m. and came home at 12:00 p.m. for her lunch break. While at work, ROBINSON's grandmother, BEVERLY, text her a number and asked her to tell ROBINSON to call the number and to tell him that he must call the number before 1:00 p.m. ROBINSON called the number, but WHITE did not stay around to listen to the conversation. When WHITE went downstairs and asked who ROBINSON was talking to, ROBINSON told her it was his probation officer. WHITE told him that she was going back to work and that

10-0034-34-17

she would be back later. WHITE left her apartment at 12:55 p.m. to return to work.

When WHITE left to return to work, ROBINSON was watching television. When she got to work, BUNCOM text her a picture and said that the picture looked like it was right by their house. NOTE: The picture was the news report about the incident. WHITE asked when it happened, and BUNCOM told her to look at the time stamp. WHITE came home at 4:08 p.m. and saw the police and tape on the door.

WHITE denied that she and ROBINSON were involved in a relationship. WHITE did not see what happened related to the shooting incident. WHITE did not see ROBINSON with a weapon. ROBINSON did not live with her and did not have any of his "stuff" at her apartment. ROBINSON showed up two days ago and the only thing that he had was a jacket.

WHITE did not know that ROBINSON was on probation or that he was in any kind of trouble. ROBINSON was trying to get back in school and had used her phone to fill out applications on-line.

WHITE was at her second job yesterday when BEVERLY called her. BEVERLY called her phone because ROBINSON had called BEVERLY from WHITE's phone. BEVERLY asked WHITE if she knew where ROBINSON was, was he still around, and asked WHITE to have ROBINSON to call her. When WHITE got home yesterday, she told ROBINSON to call BEVERLY. ROBINSON stayed at her apartment last night. ROBINSON used her phone to call BEVERLY. BEVERLY lived in Conyers past Stone Crest. BEVERLY's phone number was 404-935-2202.

WHITE admitted that she and ROBINSON dated in 2015 and had a bad break up at the end of the year. ROBINSON called her or messaged her through Facebook and

10-0034-34-17

asked to see her. One day this week, ROBINSON called her and said that he was at a Mosque and that he was praying. ROBINSON told her that he had become a Muslim two (2) months ago. ROBINSON told her that he wanted to see her and wanted to talk. When ROBINSON came over he was wearing a jacket over his clothes. She thought it might have been raining. ROBINSON had been working doing Muslim work selling newspapers on the street corners. ROBINSON did not say where he worked.

The interview was concluded at 4:47 p.m.

INVESTIGATIVE SUMMARY**

10-0034-34-17

On Friday, August 5, 2016, at approximately 3:13 p.m., SA JUSTIN MCALLISTER was located at 3129 Candle Wood Drive, Apartment H, in East Point, Georgia, for the purpose of interviewing TIFFANY JAMES. JAMES was being interviewed in relation to the current officer involved shooting investigation.

This is a summary of the interview that was conducted with JAMES. For a full account of the interview refer to the attached recording.

JAMES stated essentially the following:

JAMES was asleep in her apartment when she heard gunshots at approximately 1:00 p.m. JAMES was not sure of the exact amount of gun shots that she heard, but advised that it was a lot of gunshots. JAMES looked out of her window after the gunshots stopped and saw a lot of Marshals with rifles.

JAMES did not know who lived in apartment E where the shooting occurred. JAMES was alone in her apartment with her young children.

This interview was completed at approximately 3:20 p.m.

REGION 10
INVESTIGATIVE SUMMARY**

10-0034-34-17

JUVENILE

On Friday, August 5, 2016, at approximately 3:16 p.m., Special Agent (SA) JAN ROULAIN was located at 3129 Candlewood Drive, East Point, Fulton County, Georgia to conduct a neighborhood canvass. This investigative act was in reference to a request from the East Point Police Department for the Georgia Bureau of Investigation (GBI) Atlanta Regional Office to investigate an officer involved shooting with the United States Marshal Service (USMS) Task Force that resulted in the death of JAMARION ROBINSON.

SA ROULAIN canvassed Buildings 3143 and 3151. The results of the canvass were as follows:

Building 3143:

Apt A: SA ROULAIN spoke with BRITTANY LONG. LONG walked out of her apartment and looked up and saw all the commotion. LONG went up the stairs and saw the police. The police had already kicked the door in when she saw them. LONG saw seven (7) or eight (8) police, and saw one man wearing a burgundy shirt and khaki hat turned around backwards. The man wearing the burgundy shirt had a rifle and was standing at a car with the rifle pointed to the door. That was the only gun that she saw. LONG did not remember seeing this man wearing any police identification. LONG knew that he was police because he was with the other police. LONG heard shots fired and thought it was a nail gun because there were so many shots fired. LONG heard four (4) or five (5) single shots and then two or three seconds later heard a round of four (4) or five (5) shots. LONG heard the police ask

JUVENILE

10-0034-34-17

if anyone else was in the apartment. This was all that LONG saw and heard. LONG's mother TAMEKA JOHNSON was with her when she came out of the apartment. LONG sent SA ROULAIN a video and a picture (see attached).

SA ROULAIN spoke with TAMEKA JOHNSON who was standing near the entrance of the apartment complex. JOHNSON stated that she had just gone into Apartment A when she heard something and thought it was a nail gun being used by construction workers. JOHNSON went out of the apartment, went upstairs, and saw that the door in the apartment next door was kicked in. JOHNSON saw an undercover officer wearing a red shirt and had a shot gun and was told to stand back.

Apt B: No contact

Apt C: No contact

Apt D: No contact

Apt E: SA ROULAIN spoke with HERSHENIE JACEY and JEANNIDE AUGUSTE. They had just returned home and did not see or hear anything that had happened earlier.

Apt F: SA ROULAIN spoke with DORENE PERRY. PERRY was sitting on her couch using the phone and saw a man wearing a blue shirt, a helmet, and had a long gun, go past her window. She called her sister-in-law who lived next door and told her that SWAT was outside and to stay away from the windows. PERRY looked and saw it was the US Marshals and knew they were probably serving a warrant. PERRY saw the police looking up and heard them tell whoever it was to "put the gun down". She heard them say "put the gun down" about fifty (50) times. PERRY

JUVENILE

10-0034-34-17

heard the police repeatedly say "come down". PERRY could not hear the person inside the apartment say anything. PERRY heard shots fired, but did not know who fired the shots. PERRY described the gunshots as rapid fire, but was not sure of the number of shots fired. PERRY heard a boom and thought it was a "flash". PERRY did not know exactly how many Marshals were there but guessed about twenty (20) to twenty-five (25). The reason PERRY noticed them was because they pulled up next to her car that was parked in the handicap parking space. PERRY lived in the apartment complex for 30 plus years and thought that college girls lived in the apartment. PERRY had seen a black male at the apartment less than a month ago. PERRY was not good with ages and was not sure how old the male was, but described him as slim build. PERRY did not have any pictures or videos of the incident.

Apt G: SA ROULAIN spoke with SHAREEDAH SMITH. SMITH was at work and did not see or hear what happened. SA ROULAIN spoke with ZELDA ROMER. ROMER saw SWAT or "whoever they were" all over the parking lot, guns drawn, police down behind cars, sharp shooters over on the grass and behind bushes. ROMER saw ten (10) police at the apartment next door, heard them say "police" and saw them take that "thing" and hit the door. ROMER then heard them say "put the gun down". ROMER could not see anything and could only hear them. ROMER initially said that she heard twenty (20) to thirty (30) shots being fired, and then said she heard fifteen (15) to twenty (20) shots fired. ROMER heard shots, a break, more shots, then a long break and then more shots. ROMER thought, "Damn who are they shooting at. They ain't dead yet." ROMER did not know the person that lived in the apartment and had not seen the person that lived next door. ROMER knew it was the police because they were wearing uniforms. ROMER heard the police say "open the door and put the gun down". ROMER saw the police with long

10-0034-34-17

JUVENILE

and short guns, and they all had their weapons drawn. ROMER wondered why they shot so many times. ROMER did not take a video or picture of what she saw.

Apt H: No contact

Building 3151:

Apt A - No contact

Apt B - No contact

Apt C - No contact

Apt D - SA ROULAIN spoke with MICAELA SULLIVAN, a 14 year old juvenile who said that she was asleep and did not hear anything. SULLIVAN was at home with her two younger siblings. SULLIVAN's aunt, AMELIA SULLIVAN, was at work.

Apt E - Vacant

Apt F - will be documented in a separate summary

Apt G - will be documented in a separate summary

Apt H - Vacant

The neighborhood canvass was concluded at approximately 4:10 p.m. The interviews were digitally recorded and were uploaded into the GBI case management system. This was merely a summation of the interviews. Review the recordings for the complete details of the interviews. NOTE: SA ROULAIN attempted to record the interview with TAMEKA JOHNSON; however, the recorder malfunctioned and her interview was not recorded.

INVESTIGATIVE SUMMARY**

10-0034-34-17

On Friday, August 5, 2016, at approximately 3:21 p.m., SA JUSTIN MCALLISTER was located at 3129 Candle Wood Drive in East Point, Georgia, for the purpose of interviewing TAKIYAH THOMAS. THOMAS was being interviewed during a neighborhood canvass in relation to the current officer involved shooting investigation.

The interview with THOMAS was audio recorded. This is a summary of the interview that was conducted with THOMAS. For a full account of the interview, refer to the attached recording.

THOMAS stated essentially the following:

THOMAS was asleep when she was woken up by the sound of gunshots. When THOMAS heard the gunshots, she got on the ground and stayed there until the gunshots stopped. THOMAS did not look to see what was going on outside of her apartment. THOMAS was not aware of how many gunshots she heard.

This interview was completed at approximately 3:24 p.m.

**GEORGIA BUREAU OF INVESTIGATION
REGION 10
INVESTIGATIVE SUMMARY**

10-0034-34-17

On Friday, August 9, 2016, at approximately 3:00 p.m., SPECIAL AGENT (SA) AGIE GEORGE was located at 3129 Candlewood Drive, East Point, Fulton County, Georgia, to conduct a neighborhood canvass. This investigative act was in reference to a request from the East Point Police Department for the Georgia Bureau of Investigation (GBI) Atlanta Regional Office to investigate an officer involved shooting with the United States Marshals Service (USMS) Task Force that resulted in the death of JAMARION ROBINSON.

SA GEORGE canvassed Buildings 3129, 3143, and 3151. The results of the canvass were as follows:

Building 3129:

Apartment J: At approximately 3:25 p.m., SA GEORGE spoke with ALISHA DELANEY. The interview with DELANEY was audio recorded, and the recording was attached to this investigative summary and should be referred to for complete details of the interview. DELANEY did not know anyone in any of the buildings in the apartment complex. DELANEY heard gunshots at approximately 1:30 p.m. on this date. DELANEY estimated hearing approximately six or seven gunshots while she was inside her apartment. DELANEY stated someone said "put the gun down". DELANEY advised that when she looked outside her apartment, she observed police vehicles outside and police officers with long rifles and pistols. DELANEY advised that she saw the officers wearing United States Marshals Service patches on their vests. DELANEY advised that she saw two to three East Point Police

10-0034-34-17

Officers and four United States Marshals. DELANEY advised that she could see one of the officers pointing a gun up towards the second story of the apartment towards the end of her building. DELANEY advised that it was sunny outside and she could see everything clearly. DELANEY advised that she never saw the person with a gun inside the apartment, because she could not see from her apartment. DELANEY advised there were multiple gunshots, but she could not tell where they were coming from. DELANEY advised there were a couple of seconds between gunshots. DELANEY advised that she heard officers say "put the gun down" multiple times. DELANEY advised that she could see the officers dressed in uniform because of the vests the officers were wearing, and could see uniformed East Point Police Department Officers outside the building. No further information was obtained at this time. The interview concluded at approximately 3:38 p.m.

Building 3143 Apartment H: No Contact

Building 3151 Apartment J: At approximately 3:47 p.m., SA GEORGE spoke with KEOSHA DAVIS. The interview with DAVIS was audio recorded, and the recording was attached to this investigative summary and should be referred to for complete details of the interview. DAVIS advised that she did not know the person that was involved with the shooting, but thought he drove a grey BMW. DAVIS advised that at approximately 1:32 p.m., DAVIS heard someone knocking loud outside away from her apartment and said "police open the door". DAVIS advised that her and her boyfriend walked outside their apartment and saw police officers at the building next to their building. DAVIS advised that the police kept saying "police come to the door". DAVIS advised that she heard multiple times "put the gun down sir put the gun down". DAVIS advised that she heard multiple gunshots, but could not remember how many gunshots. DAVIS advised the gunshots sounded like

10-0034-34-17

firecrackers. DAVIS advised that the police used a black tool to open the door to the residence where the shooting took place. DAVIS advised the police officers also went inside the apartment to the right of where the shooting took place. DAVIS advised that she knew the officers were police officers because she could see United States Marshals Service markings on their vests. DAVIS estimated there were approximately twenty officers outside the residence and parking areas where the shooting took place. DAVIS advised that she could see a marked East Point Police Department car parked in the parking lot outside the building where the shooting took place. DAVIS advised that she could not see anyone with a gun inside the apartment where the shooting took place because she went back inside her own apartment. DAVIS stated she could see the United States Marshals giving commands to put the gun down. DAVIS advised that it was sunny and clear outside, therefore she could see the outside area. DAVIS advised she had only been living at the apartment complex for approximately three months. DAVIS stated that she thought maybe a East Point Police Officer lived in the same building, but she was unsure. The interview concluded at approximately 4:07 p.m.

The neighborhood canvass was concluded at approximately 4:10 p.m. The interviews were digitally recorded and were uploaded into the GBI case management system. This was merely a summation of the interviews. Review the recordings for the complete details of the interviews.

INVESTIGATIVE SUMMARY**

10-0034-34-17

On Friday, August 5, 2016, at approximately 3:27 p.m., Special Agent (SA) JUSTIN MCALLISTER was located at 3129 Candle Wood Drive, Apartment C, in East Point, Georgia, for the purpose of interviewing CYNTHIA HOPKINS. HOPKINS was being interviewed during a neighborhood canvass in relation to the current officer involved shooting investigation.

This is a summary of the interview that was conducted with HOPKINS. For a full account of the interview refer to the attached recording.

HOPKINS stated essentially the following:

HOPKINS was inside her apartment when she heard gun shots at approximately 1:30 p.m. HOPKINS then ran into her bathroom with her children. HOPKINS heard approximately six (6) or seven (7) gunshots. HOPKINS did not see any of the activity outside of her apartment. HOPKINS' apartment was on the lower level of building 3129, and the shooting occurred upstairs.

This interview was completed at approximately 3:32 p.m.

**GEORGIA BUREAU OF INVESTIGATION
REGION 10
INVESTIGATIVE SUMMARY**

10-0034-34-17

On Friday, August 5, 2016, at approximately 3:42 p.m., Special Agent (SA) JUSTIN MCALLISTER was located at 3151 Candlewood Drive in East Point, Georgia, for the purpose of interviewing LARRY MICHAELS. MICHAELS was being interviewed as a witness in the current investigation.

The interview with MICHAELS was audio recorded. This is a summary of the interview conducted with MICHAELS. For a full account of the interview, refer to the attached recording.

MICHAELS stated essentially the following:

MICHAELS heard banging outside of his apartment at approximately 1:30 p.m. When MICHAELS looked outside he saw approximately fifteen (15) U.S. Marshals "banging" on the door of apartment D in building 3129. The Marshals used a battering ram to open the door. MICHAELS identified the Marshals by the words "US Marshal" located on their ballistic vests. The Marshals were in a stack at the door of the apartment. The man in the front of the stack of the Marshals was holding a shield. The Marshal with the shield opened the door.

After the door was opened, MICHAELS could hear the Marshals saying "drop the gun". After saying drop the gun, MICHAELS heard two (2) gunshots. These gunshots were fired by the Marshals from the doorway of the apartment. After the gunshots were fired, the Marshals started to ease into the doorway. There were more gunshots after the Marshals were in the apartment. MICHAELS saw one

10-0034-34-17

Marshal throw 2 flash bangs into the apartment. After the flash bangs went off, more gunshots were fired. MICHAELS estimated a total of 20 gunshots were fired.

After all of the shots were fired, MICHAELS saw the Marshals come out of the apartment and stand in front of the apartment for a while. MICHAELS did not know anybody that lived in Apartment D, but advised that he has seen a few women coming in and out of the apartment. MICHAELS drew a diagram illustrating where the Marshals were located in relation to his apartment (see attached).

MICHAELS recorded the incident using his cell phone and provided a copy of the video to SA MCALLISTER (see attached).

This interview was completed at approximately 4:11 p.m.

10-0034-34-17

On Saturday, August 6, 2016, at approximately 12:10 PM, Special Agent (SA) CLINTON THOMAS was located at the US Marshal Service (USMS) Office in Atlanta, Clayton County, GA for the purpose of meeting with Senior Inspector CHRISTOPHER GABOR, USMS Office of Professional Responsibility. This investigative act was in reference to a request from the East Point Police Department for the Georgia Bureau of Investigation Atlanta Regional Office to investigate a use of force incident that resulted in the death of JAMARION ROBINSON.

Insp. GABOR provided SA THOMAS copies of the USMS Policy Directive 2.1, Shooting Incidents and USMS Policy Directive 14.15, Use of Force. These policy directives will be scanned and attached to this summary.

SA THOMAS requested information related to the training records, personnel records, and internal affairs files for USMS Inspector ERIC HEINZE. Insp. GABOR stated that he would forward the requested information to SA THOMAS.

**GEORGIA BUREAU OF INVESTIGATION
REGION 10
INVESTIGATIVE SUMMARY**

10-0034-34-17

On Saturday, August 6, 2016, at approximately 11:40 a.m., SPECIAL AGENT (SA) STEVEN MCCALLUM and SA DEBORAH LOVING were located at 73 Southwoods Parkway, suite 110, Atlanta, GA 30354, for the purpose of interviewing Officer JOSHUA MAUNHEY (Officer witness). Attorney LAWRENCE BERGER joined the interview remotely through a conference call. This investigative act was in reference to a request by the East Point Police Department to investigate an officer involved shooting that occurred at 3129 Candlewood Drive, Apartment D, East Point, GA 30344, on August 5, 2016.

Prior to questioning, MAUNHEY was advised that this investigation was to determine whether any criminal laws had been violated during the use of force incident on August 5, 2016. The interview was not an administrative or disciplinary inquiry. MAUNHEY was not being compelled to give any statements or answer any questions, and his cooperation was voluntary.

The interview with MAUNHEY was audio recorded, and the recording was attached to this investigative summary and should be referred to for complete details of the interview. MAUNHEY stated essentially the following:

MAUNHEY was a Task Force Officer with the Fayette County Sheriff's Office on the United States Marshal's Fugitive Task Force. MAUNHEY was on the task force for approximately 4 years and was an officer with the Fayette County Sheriff's Office for approximately 11 years.

10-0034-34-17

A few days prior to the incident, the case agent contacted MAUNNEY and requested intelligence on a case involving JAMARION ROBINSON. MAUNNEY was informed that ROBINSON was wanted out of Gwinnett County, GA, for trying to burn down his mother's house and recently shot at Atlanta Police Officers. On August 5, 2016, at approximately 12:30 p.m., MAUNNEY was contacted by the case agent and advised that ROBINSON was located. MAUNNEY prepared a tactical plan and placed a help call for assistance on the operation. MAUNNEY advised all agents to meet at a church located at Interstate 285 and Washington Road to brief for the operation. MAUNNEY completed an entry plan based on the target's location. ROBINSON'S location was identified by the case agent. The case agent briefed all involved agents, and stated that they received information from ROBINSON's mother and tracked ROBINSON'S girlfriend to an apartment. The case agent conducted surveillance on the apartment where ROBINSON was located. Maintenance personnel at the apartment complex entered the apartment and located ROBINSON. Surveillance observed ROBINSON'S girlfriend leave the apartment, and the case agent determined that only ROBINSON was inside. All agents were given the "suspect's" name and shown a photograph of the suspect.

After the agents were briefed, they went to the target location. Surveillance had eyes on the location at all times. They surrounded the location clearly marked as police officers. MAUNNEY was wearing a tactical vest with US Marshals marked on the front and back. The entry team knocked and announced for ROBINSON. They announced for ROBINSON multiple times with no response. The entry team consisted of six agents: ERIC HEINZE (shield), KRISTOPHER HUTCHENS, DANNY DOYLE, MAUNNEY, WILLIE SAULS (ram), and "TEZ". The case agent made the decision to force entry into the apartment due to no response after multiple attempts. When the door came open, the entry team could see a living room and

10-0034-34-17

stairs to the second floor directly at the right of the front door. HEINZE announced that he could see the suspect at the top of the stairs. HEINZE stated there was something in the suspect's hands, "he has a gun". HEINZE said drop the gun and shots were fired. MAUNNEY could not see the suspect from his location. MAUNNEY was to the right of the front door on a brick wall next to HEINZE. DOYLE and HUTCHENS were to the left of HEINZE. Multiple shots were fired. HEINZE had a firearm malfunction and called for cover, so DOYLE covered him. The suspect was constantly told to drop the gun by multiple agents. They started to slowly move into the apartment. MAUNNEY heard the suspect rack the slide of his gun and heard a couple of rounds that he believed came from the suspect. HEINZE changed his magazine and returned to the front door. HEINZE, DOYLE, and HUTCHENS had eyes on the suspect and were giving commands. SAULS had a loud voice and yelled at the suspect from outside the apartment, "put the gun down son and come on out".

During a break in gun fire, MAUNNEY called for a status check and asked for an update. MAUNNEY gave an update to the perimeter, had Emergency Medical Services (EMS) en route, and updated the tactical medic who was on scene. Once shots were fired, MAUNNEY called to have a supervisor en route and told East Point Police Department to have more units en route. MAUNNEY told witnesses outside to take cover and get out of the way. One of the witnesses took a video of the incident. MAUNNEY had officers check on the apartment next door, apartment E. There was no response from anyone inside apartment E, and it was eventually forced open. MAUNNEY never heard the suspect say anything. There were multiple bouts of gun fire and the suspect continued to present with a gun.

Once the team felt the apartment was under control, agents cleared the bottom floor

10-0034-34-17

of the apartment while MAUNNEY got a robot to throw upstairs. MAUNNEY was able to look at the suspect upstairs with the robot. The suspect was laying feet first at the top of the stairs with his torso out of sight around a wall. The suspect stopped presenting the weapon, but would not comply with any commands. With the robot, MAUNNEY thought he could see the gun laying under the suspect. The shield man and HEINZE went up the stairs to get a better look at the suspect. The suspect did not move, but was breathing. MAUNNEY asked SAULS to go to the top of the stairs, grab the suspect's foot, and drag him downstairs. They immediately called a Medic to provide aid to the suspect. The gun remained at the top of the stairs, and the team cleared the top floor of the apartment.

MAUNNEY did not fire his weapon. There was natural light inside the apartment, and it was sunny outside where MAUNNEY was located. From the knock and announce until the time the suspect was detained was approximately 5-7 minutes. MAUNNEY could not recall the number of shots fired. HEINZE, DOYLE, and HUTCHENS fired shots at the suspect. MAUNNEY remained outside the apartment during the incident, but he could see the team from his location. No one on the team was wearing body cameras. A bystander outside took a video of the incident. MAUNNEY unholstered his firearm from the beginning of the incident until they gained control of the suspect.

MAUNNEY secured the crime scene and took photographs after the scene was safe.

MAUNNEY has been in two other officer involved shootings, but has never been directly involved in the gun fire.

MAUNNEY drew a diagram of the incident. The diagram was attached.

10-0034-34-17

MAUNNEY had no further questions or statements. The interview was concluded at approximately 12:46 p.m.

**GEORGIA BUREAU OF INVESTIGATION
REGION 10
INVESTIGATIVE SUMMARY**

10-0034-34-17

On Saturday, August 6, 2016, at approximately 12:56 p.m., SPECIAL AGENT (SA) STEVEN MCCALLUM and SA DEBORAH LOVING were located at 73 Southwoods Parkway, suite 100, Atlanta, GA 30354, for the purpose of interviewing Officer WILLIE SAULS, witness in this investigation. Attorney LAWRENCE BERGER joined the interview remotely through a conference call. This investigative act was in reference to a request by the East Point Police Department to investigate an officer involved shooting that occurred on August 5, 2016, at 1329 Candlewood Drive, Apartment D, East Point, GA 30344.

Prior to questioning, SAULS was advised that this investigation was to determine whether any criminal laws had been violated during the use of force incident on August 5, 2016. The interview was not an administrative or disciplinary inquiry. SAULS was not being compelled to give any statements or answer any questions, and his cooperation was voluntary.

The interview with SAULS was audio recorded, and the recording was attached to this investigative summary and should be referred to for complete details of the interview. SAULS stated essentially the following:

SAULS was employed with the Atlanta Police Department since November of 1992 and was on the US Marshals Task Force for approximately 5 years.

On August 5, 2016, SAULS received a request from a case agent to meet at a church located at Interstate 285 and Washington road to brief on an operation to

10-0034-34-17

apprehend a fugitive. The case agent came from surveillance where the suspect was located to conduct a briefing at the church. During the briefing, the case agent advised the suspect possibly had mental issues. The suspect recently pulled a firearm on police officers and was able to get away with the weapon. The suspect's criminal history was given. The case agent said the suspect was located at an apartment and maintenance workers at the apartment complex positively identified the suspect and said he was inside the apartment. SAULS was informed of the suspect's location, and positions for the operation were assigned.

Everyone went to the location and a perimeter was set up around the apartment. The entry team approached the front door and stacked on a concrete landing shared with another apartment. SAULS was to the right of the shield man (ERIC HEINZE) and covered the apartment next door to make sure no one came out and was assigned to the ram, if necessary. The entry team knocked and announced themselves numerous times and called out the suspect by name with no response. The decision was made by the case agent to breach the front door. SAULS announced, "police we are coming in" and breached the front door. Once the door was breached, SAULS immediately took a position to the right of the door and allowed the shield man to enter the doorway.

The shield man, HEINZE, stated he had eyes on the suspect and asked the suspect to show his hands. SAULS heard HEINZE say the suspect had a gun then heard shots fired. SAULS put his hand on HEINZE in case he had to pull him out of the way. SAULS maintained visual on the neighbor's door. SAULS heard several gun shots and some of the guys behind him told people outside to take cover. SAULS was located on the brick wall between the apartments. HEINZE made the decision to push into the apartment. HEINZE, DANNY DOYLE, and KRISTOPHER

10-0034-34-17

HUTCHENS pushed into the apartment. SAULS could not see the suspect during the incident and could not recall the exact number of shots fired. SAULS knew HEINZE had a visual on the suspect and heard multiple bouts of gun fire. During the incident, SAULS continued to ask if everyone was ok. SAULS heard members of the team call out commands and describe the location of the suspect. SAULS heard his team return fire and heard gun shots that sounded farther away from inside the apartment. SAULS heard someone on the team say the suspect was shooting back, and SAULS heard moaning from the suspect. SAULS verbalized with the suspect from outside the apartment and told the suspect to drop the weapon. SAULS and "TEZ" secured the doorway and the bottom half of the apartment during the gun fire.

SAULS eventually cleared the bottom half of the apartment then stacked by the stairs leading to the second level inside the apartment. A robot was thrown up the stairs next to the suspect. Through the robot they could see that the suspect was not moving, but was still breathing. The robot could not locate the weapon. HEINZE and SAULS walked partially up the stairs towards the suspect. SAULS crawled on his hands and knees towards the suspect, grabbed the suspect, and pulled him down the stairs. The tactical medic immediately began to provide aid once the suspect was downstairs. SAULS went back upstairs and cleared the top half of the apartment.

SAULS never fired his weapon. SAULS' weapon was unholstered during the incident except when he breached the door. The entire incident lasted approximately 2-3 minutes.

SAULS had no further questions or statements. The interview was concluded at approximately 1:18 p.m.

**GEORGIA BUREAU OF INVESTIGATION
REGION 10
INVESTIGATIVE SUMMARY**

10-0034-34-17

On Saturday, August 6, 2016, at approximately 1:12 p.m., SPECIAL AGENT (S/A) DEBORAH A. LOVING was located at the United States Marshals Service Southeast Regional Fugitive Task Force (SERFTF), 73 Southwoods Parkway, Suite 100, in Atlanta, Georgia, for the purpose of interviewing STEVE SCHRECKENGOST. This investigative act was in reference to a request by the East Point Police Department to investigate an officer involved shooting at 3129 Candlewood Drive in East Point, Fulton County, Georgia which resulted in the death of JAMARION ROBINSON.

Present during the interview was S/A STEVEN MCCALLUM of the Georgia Bureau of Investigation and included telephonically during the interview was LAWRENCE BERGER, attorney for SCHRECKENGOST.

Prior to questioning, SCHRECKENGOST was advised that this investigation was to determine whether any criminal laws had been violated that resulted in the death of JAMARION ROBINSON. It was not an administrative or disciplinary inquiry. He was not being compelled to give any statements or answer any questions and his cooperation in this investigation was voluntary.

The interview of SCHRECKENGOST was digitally recorded using an Olympus WS-700M digital voice recorder. The recording was attached to this Investigative Summary and should be referred to for complete details of the interview. SCHRECKENGOST essentially stated the following:

10-0034-34-17

He is a Detective with the Atlanta Police Department and has been employed in the field of law enforcement for approximately twenty-six (26) years. He has been assigned to the United States Marshals Service SERFTF for the past five (5) years.

On Friday, August 5, 2016, he received a text message from STEVE O'HARE, the case agent, requesting 8-10 people to meet at a church near Washington Road and Interstate 285. Once all of the officers arrived, O'HARE, who had been conducting surveillance at the incident location, came to the church to lead the briefing. O'HARE explained that ROBINSON was wanted for aggravated assault following an incident a week prior in which he pointed a firearm at officers with the Atlanta Police Department. SCHRECKENGOST was not familiar with ROBINSON but was shown a photograph of him at the briefing.

Based on information developed during the course of the investigation, including information from ROBINSON'S grandmother, cellular telephone records, and cell tower data, it was believed that ROBINSON was located inside of the apartment. O'HARE had also established surveillance on the apartment and had a maintenance worker gain entry into the residence to verify that ROBINSON was present.

SCHRECKENGOST stated that assignments were issued by JOSHUA MAUNHEY and he was positioned 6 or 7 in the stack. After the briefing, the officers drove to the apartment complex and a perimeter was established. Officers then approached the apartment and set up the "stack". ERIC HEINZE had the shield with DANNY DOYLE and KRISTOPHER HUTCHENS positioned behind him and WILLIE SAULS was off to their side with the ram. SCHRECKENGOST stated that the officers knocked and announced "police" several times over the course of 2-3 minutes, but there was no answer at the door. Based on the surveillance of the apartment, it was

10-0034-34-17

believed that ROBINSON was still inside so the decision was made to make entry.

The door to the apartment was breached and officers "let it breathe for a few seconds". SCHRECKENGOST could hear HEINZE shouting into the apartment then he stated that he saw someone at the top of the stairs and the person had something in his hands. A few seconds later, HEINZE shouted that the individual, later identified as ROBINSON, had a gun. SCHRECKENGOST heard two (2) shots and believed that they came from inside of the apartment because of the "muffled" sound. He then heard return fire which he described as semi-automatic gunfire. He stated that there was "single action fire" then "three round bursts". At one point, he saw that HEINZE had a malfunction with his weapon.

SCHRECKENGOST did not provide verbal commands and was assigned to watch the top windows at the front of the residence. He was located to the side of the door and could not see inside of the apartment. He believed that the only officers who could see ROBINSON were HEINZE, DOYLE, and HUTCHENS because they were located in the entrance of the apartment.

SCHRECKENGOST stated that he continually heard verbal commands being provided to ROBINSON to "drop the gun" and estimated that officers tried to get ROBINSON to comply for 2-3 minutes.

Once the gunfire ended and it was silent, HEINZE stated that it appeared ROBINSON was still breathing. A throwbot was utilized and it was reported that a firearm could be seen lying next to ROBINSON. Officers covered ROBINSON while SCHRECKENGOST helped clear the downstairs area of the apartment. SAULS then brought ROBINSON downstairs away from the weapon. SCHRECKENGOST

10-0034-34-17

stated that he never saw ROBINSON with the firearm, but he observed the weapon after ROBINSON was removed from the upstairs area.

SCHRECKENGOST could hear ROBINSON make statements during the incident but he could not distinguish what he was saying. SCHRECKENGOST was not wearing a body camera but was aware that a video of the incident had been posted on Faceboook.

SCHRECKENGOST stated that he was clothed in his tactical body armor with "police" markings on the front and a helmet. He did not discharge his firearm.

No additional information was provided at this time.

The interview concluded at approximately 1:33 p.m.

**GEORGIA BUREAU OF INVESTIGATION
REGION 10
INVESTIGATIVE SUMMARY**

10-0034-34-17

On Tuesday, August 9, 2016, at approximately 9:55 AM, Special Agents (SA) CLINTON THOMAS and STEVEN MCCALLUM were located at the US Marshal's Office in Atlanta, Clayton County, GA for the purpose of interviewing Inspector ERIC HEINZE of the US Marshal's Service (USMS). This investigative act was in reference to a request from the East Point Police Department for the Georgia Bureau of Investigation Atlanta Regional Office to investigate a use of force incident that resulted in the death of JAMARION ROBINSON. HEINZE was identified as one (1) of three (3) officers who fired their weapons. Also present during the interview was FLEO attorney TOM ALLEN (via teleconference).

Prior to questioning, HEINZE was advised that this investigation was to determine whether any criminal laws had been violated that resulted in the death of ROBINSON. The interview was not an administrative or disciplinary inquiry. HEINZE was not being compelled to give any statements or answer any questions, and his cooperation was voluntary. HEINZE indicated that he was willing to speak with SA THOMAS and stated essentially the following:

On Friday, August 5, he received a request from TFO O'HARE to assist with the arrest of JAMARION ROBINSON for charges of aggravated assault upon a police officer. HEINZE was fairly familiar with the case, that ROBINSON had attempted to fire upon Atlanta police officers and that ROBINSON's weapon malfunctioned at that time.

Prior to going to the apartment, HEINZE and other task force members received a

10-0034-34-17

briefing from TFO O'HARE. At that time HEINZE learned additional information regarding a warrant for ROBINSON's arrest for arson for an attempt to burn down his mother's apartment with gasoline while his mother was in the apartment. The case agent had phone information that placed ROBINSON in the area of the apartment the evening before. On this date, a maintenance man was able to positively identify ROBINSON inside the apartment. HEINZE added that there were "eyes on" the apartment to ensure that ROBINSON had not left since the time he was identified. The team viewed a photo of ROBINSON and received their tactical assignments. HEINZE was assigned as the shield operator and would be in the front of the stack.

The team caravaned to the apartment complex and then approached the apartment. Several attempts to knock-and-announce were made prior to entry. During that time, HEINZE could hear noise coming from within the apartment, so additional attempts were made to knock-and-announce. After receiving no response, the team then breeched the door of the apartment, held it open, and again announced their presence stating, "Police, US Marshals, police, come to the door".

HEINZE focused his attention to the staircase, which was immediately to the right inside the doorway. He could hear noise from the upstairs portion of the apartment, so he instructed the second man in the stack to focus on the living room while he covered the stairway. HEINZE saw feet at the top of the stairs so he repeatedly called out, "sir, let me see your hands, come down the stairs slowly" multiple times. He heard some verbal response from ROBINSON, but was unclear as to what was said. ROBINSON slowly descended the stairs and came into view of HEINZE. It should be noted that later in the interview, HEINZE indicated on a sketch that ROBINSON had moved approximately halfway down the staircase. ROBINSON

10-0034-34-17

appeared to have something cupped in his hands. It was not immediately clear to HEINZE what that object was, so he called out to the team, "he's got something in his hands". HEINZE could then see that the object ROBINSON had in his hands was a silver or black semi-automatic handgun, that it was in a "low ready" position and that both hands were on the weapon. He heard Det. DANNY DOYLE call out "gun". HEINZE stated that the gun was pointed directly at his position and felt that it was an immediate threat to himself and his team members, so he discharged his firearm several times. He also heard gunfire from his teammates behind him, but was not certain if it was DOYLE or Officer KRIS HUTCHENS.

ROBINSON then retreated up the stairway, but was still partially in the view of HEINZE. Additional commands were given for ROBINSON to drop the gun and come out. HEINZE could see ROBINSON's hands moving and could hear the sound of the slide moving on his weapon, and two (2) shots. HEINZE later explained that he heard the weapon cycle, followed by a "pop", heard the weapon cycle again, and then another "pop". HEINZE could still see ROBINSON when the second shot was fired, so HEINZE fired his weapon again. He recalled that the others on his team also fired. ROBINSON then went down on the upper landing, chest down, with his legs down the stairs. He continued to roll around and look toward the team.

HEINZE decided to then push into the apartment and position himself at the base of the stairs and was followed by the second and third officers in the stack. From his position, HEINZE saw ROBINSON point his gun in the direction of the team, so HEINZE fired again along with other team members. Additional verbal commands were given, but ROBINSON refused to comply. HEINZE was unable to see ROBINSON's hands or the gun, so a decision was made to throw a flash-bang to

10-0034-34-17

attempt to disorient him. ROBINSON appeared to still roll and move about, so a camera was deployed to determine if he was still in possession of the weapon.

Part of the team cleared the downstairs portion of the apartment while HEINZE and TFO WILLIE SAULS moved up the stairs to move ROBINSON downstairs. As ROBINSON was moved, HEINZE could see the weapon near where ROBINSON's right hand had been located. ROBINSON was moved downstairs where some of the team rendered aid while the rest cleared the upstairs.

HEINZE was wearing a tactical vest marked with "Police" and "US Marshals" along the front and back. The shield that HEINZE carried was also marked as "Police" and "US Marshals". His shield was not struck during the exchange and he did not sustain any injuries. HEINZE was carrying a Glock 22, which he typically carried with one round in the chamber and 14 rounds in a 15-round magazine. During the incident, he conducted a tactical reload approximately three (3) times. The magazines were left at the scene. He also indicated that he likely had two (2) brands of ammunition (Winchester or Federal) in his magazines because of a switch in ammunition provided to him by the Marshals Service.

The lighting inside the apartment was good. During part of the engagement, he could only see from the chest down on ROBINSON due to the layout of the apartment.

HEINZE provided SA THOMAS with a sketch depicting the approximate positions of him and his team during the engagement with ROBINSON. The sketch will be scanned and attached to this summary and the original will be placed in the case file.

10-0034-34-17

HEINZE had been with the US Marshals Service for approximately 11 years and was assigned as an Inspector with the South East Regional Task Force (SERTF) since 2012. Prior to his employment with the USMS, he was a police officer in East Point for approximately five (5) years.

The interview with HEINZE concluded at approximately 10:22 AM.

The above is merely a summation of the interview with HEINZE. For additional detail, refer to the attached audio recording.

**GEORGIA BUREAU OF INVESTIGATION
REGION 10
INVESTIGATIVE SUMMARY**

10-0034-34-17

On Saturday, August 9, 2016, at approximately 10:46 a.m., SPECIAL AGENT (SA) STEVEN MCCALLUM and SA CLINT THOMAS were located at 73 Southwoods Parkway, suite 100, Atlanta, GA 30354, for the purpose of interviewing Officer KRISTOPHER HUTCHENS, subject of this investigation. Attorney LAWRENCE BERGER joined the interview remotely through a conference call. This investigative act was in reference to a request by the East Point Police Department to investigate an officer involved shooting that occurred on August 5, 2016, at 3129 Candlewood Drive, Apartment D, East Point, GA 30344, which resulted in the death of JAMARION ROBINSON.

Prior to questioning, HUTCHENS was advised that this investigation was to determine whether any criminal laws had been violated during the use of force incident on August 5, 2016. The interview was not an administrative or disciplinary inquiry. HUTCHENS was not being compelled to give any statements or answer any questions, and his cooperation was voluntary.

The interview with HUTCHENS was audio recorded, and the recording was attached to this investigative summary and should be referred to for complete details of the interview. HUTCHENS stated essentially the following:

HUTCHENS had approximately 21 years of experience in law enforcement and was a police officer with the Clayton County Police Department assigned to the US Marshals Fugitive Task Force. On August 5, 2016, HUTCHENS was assigned to the US Marshals Fugitive Task Force.

10-0034-34-17

HUTCHENS received a request for assistance from Detective STEVE O'HARE for the apprehension of a fugitive. O'HARE was an Atlanta Police Detective assigned to the US Marshals Fugitive Task Force. HUTCHENS was working a case in Clayton County, GA, when he received the assistance request from O'HARE. HUTCHENS left the call at Clayton County and went to the meet location. O'HARE briefed the team and informed them that the suspect was wanted for aggravated assault on a police officer. O'HARE said the suspect fired a weapon at Atlanta Police Officers and fled the scene with the weapon. The suspect was also wanted out of Gwinnett County, GA, for arson because he tried to set his mother's apartment on fire. O'HARE told the team that the suspect possibly had some form of mental illness, and passed around a photograph of the suspect. O'HARE said he located the suspect at the suspect's girlfriend's apartment. HUTCHENS said it might have been a phone location case, but did not remember exactly how the suspect was located. HUTCHENS was wearing his entry vest with US Marshal clearly marked on the front and Police clearly marked on the back.

JOSHUA MAUNEY briefed the team on the tactical lineup. The lineup was: ERIC HEINZE number 1 assigned to the shield; HUTCHENS number 2 assigned to his long weapon (MP5 9mm), DANNY DOYLE number 3; MAUNEY assigned number 4; breach was number 5; and other team members completed the stack. The team got into vehicles and followed O'HARE to the apartment where the suspect was located. HUTCHENS pulled in a parking spot a few spaces down from the target apartment next to O'HARE. HUTCHENS went to the front of his vehicle and provided cover on the target apartment while the rest of the team filtered down. The stack lined up and moved to the front door. HEINZE was staged to the hinge side (right side) of the target apartment's front door and HUTCHENS was on the left side of the door.

10-0034-34-17

HUTCHENS looked at O'HARE and asked if they were "good to go". O'HARE replied yes, and HUTCHENS started to knock on the door and announced, "Police come to the door". HUTCHENS knocked and announced on the door several times. HUTCHENS told O'HARE that they had, "Negative contact." Someone on the rear perimeter came over the radio and said they had visual contact with a male at the upstairs window, and the male came to the window twice. HUTCHENS banged on the door a few more times and said, "Hey we know you are inside, come to the door, come to the door". No one came to the door.

O'HARE told the breach man to breach the door. The breach man came to the door and stepped to the side after the door was breached. HUTCHENS and HEINZE worked angles at the front door looking inside the apartment. There were stairs directly to the right of the front door that went to the second story of the apartment. HUTCHENS could not see upstairs. HEINZE covered the stairs and HUTCHENS covered the first level of the apartment. HEINZE continued to verbalize, "We know you are inside, come out". After a few minutes, HEINZE said he had contact at the top of the stairs. HEINZE communicated with the suspect, but HUTCHENS could not remember exactly what HEINZE said. HEINZE said the suspect had something in his hands and then said "gun". HUTCHENS heard HEINZE fire his weapon 4-5 times. HUTCHENS continued to hold the first floor of the apartment as HEINZE engaged the suspect. The suspect stepped back behind a wall, and HEINZE lost visual of the suspect.

Verbal commands continued once the suspect went behind the wall. The team told the suspect to put the gun down and come out. HEINZE had a problem with his weapon and stepped slightly off the line. HUTCHENS stepped up, shifted further to the right, and gained visual of the stairs. HUTCHENS said the suspect came out

10-0034-34-17

from behind a wall at the top of the steps. HUTCHENS could see a gun in the suspect's hands, and HUTCHENS and DOYLE fired their weapons at the suspect. HUTCHENS could not remember how many rounds he fired. The suspect was hit, but the suspect moved back behind the wall. HEINZE said he was up and went back to position behind the shield. HUTCHENS moved to the left and had limited visibility of the stairs. The suspect came out from behind the wall again. HEINZE and DOYLE engaged the suspect and fired multiple rounds. The suspect went back behind the wall again.

The team continued to communicate with the suspect. The suspect came out from behind the wall again. DOYLE and HUTCHENS fired at the suspect. The suspect drifted to the right, came into HUTCHENS view, and presented a weapon. HUTCHENS fired multiple rounds at the suspect, then the suspect went back behind the wall. HUTCHENS heard two distinctive gunshots from the stairwell and heard a metallic racking, which sounded like a gun being racked. The team had not made entry into the apartment yet. The team started to "flex" into the door allowing all three "weapon systems" into the apartment. The suspect came out from behind a wall at the top of the stairs and presented the weapon again. HUTCHENS, DOYLE, and HEINZE engaged the suspect and the suspect went down on the stairs. They pushed into the apartment to the bottom of the stairs. HUTCHENS, DOYLE, and HEINZE had a direct line of sight on the suspect. HUTCHENS could see the suspect's weapon on his chest. They told the suspect numerous times to put the gun down. HUTCHENS heard the suspect mumble something, but he could not understand what it was. The suspect did not comply and presented the weapon while he laid on the stairs. HUTCHENS, DOYLE, and HEINZE engaged the suspect again and fired multiple rounds. The suspect rolled over as if he tried to get back behind the wall and ended up face down on the stairs. The suspect made no

10-0034-34-17

movements after the last engagement. HUTCHENS threw a flash bang up the stairs by the suspect, and the suspect did not move. A robot was thrown up stairs to get a better view of the landing at the top of the stairs. Through the robot, the team saw the suspect's hands and could see that he did not have control of the gun.

HEINZE and DOYLE pushed up the stairs and probed the suspect to make sure he was not responsive. The breach man went up the stairs, grabbed the suspect by his foot, and drug him downstairs. HUTCHENS handcuffed the suspect, rolled him over, and immediately called for the tactical medic to provide aid. HUTCHENS stayed with the suspect while the rest of the team finished clearing the structure.

The weapon HUTCHENS used during the incident was his issued MP5 9mm. The magazines held 32 rounds each, but HUTCHENS usually carried 28-32 rounds per magazine. HUTCHENS was not sure how many rounds he fired during the incident. During the incident, the sun was shinning outside and no lights were on inside the stairwell, but visibility was good. HUTCHENS had adequate sleep prior to the incident, had not taken any medications, and had not consumed alcohol. No one on the team had body cameras. HUTCHENS said the entire incident lasted between 3-5 minutes. HUTCHENS was involved in one previous officer involved shooting in 2001 or 2002 when he was a police officer with the Clayton County Police Department. HUTCHENS drew a diagram of the incident, and the diagram was attached.

HUTCHENS had no further questions or statements. The interview was concluded at approximately 11:10 a.m.

**GEORGIA BUREAU OF INVESTIGATION
REGION 10
INVESTIGATIVE SUMMARY**

10-0034-34-17

On Tuesday, August 9, 2016, at approximately 11:26 AM, Special Agents (SA) CLINTON THOMAS and STEVEN MCCALLUM were located at the US Marshal's Office in Atlanta, Clayton County, GA for the purpose of interviewing US Marshal's Service (USMS) Task Force Officer (TFO) STEVE OHARE. This investigative act was in reference to a request from the East Point Police Department for the Georgia Bureau of Investigation Atlanta Regional Office to investigate a use of force incident that resulted in the death of JAMARION ROBINSON. OHARE was the case agent assigned to the case for ROBINSON. Also present during the interview was FLEO attorney TOM ALLEN (via teleconference).

OHARE was assigned the case to locate and apprehend ROBINSON by the Atlanta Police Department (APD) fugitive unit on August 3, 2016. ROBINSON had outstanding warrants for two (2) counts of aggravated assault upon a police officer. The warrants were based on an incident on July 27, 2016, during which ROBINSON prevented a woman from leaving the laundry area of an apartment complex on Northside Circle in Atlanta. APD officers responded to the complaint and encountered ROBINSON who immediately took flight and got into a physical altercation with the officers. During the altercation, ROBINSON pulled a handgun from his waistband and pointed it at the two (2) officers who then fired upon ROBINSON, but did not strike him. ROBINSON was then able to evade capture.

On Tuesday, August 2, 2016, APD received a call regarding a squatter in a residence. When officers arrived they found several of ROBINSON's personal items to include his ID. APD investigators conducted a photo lineup with the two (2)

10-0034-34-17

officers who had engaged ROBINSON previously. The officer that had the closest contact with ROBINSON during that event was able to positively identify ROBINSON from the lineup.

During the investigation it was learned that ROBINSON had an additional warrant out of Gwinnett County for an attempted arson and obstruction of law enforcement. Details from that incident were that ROBINSON's mother, MATERIA ROBINSON, woke up in her apartment and found ROBINSON pouring gasoline on the floor, including the area in her bedroom. ROBINSON attempted to light the gasoline with a lighter, but was interrupted by a third party. A Gwinnett County officer was dispatched to the location and encountered ROBINSON who then fled on foot.

Based on the warrants, a fugitive investigation was initiated. OHARE spoke with MATERIA who elaborated on the incident with ROBINSON and gave additional details regarding his history as a former college football and track athlete. Over the past few years, however, he became increasingly unstable, violent, and unpredictable. He had paranoia issues and was diagnosed with schizophrenia, but had not been taking his medication. OHARE did not discuss ROBINSON's issues with APD and hoped for continued assistance from MATERIA so that they could safely locate ROBINSON. MATERIA provided OHARE with a number through which ROBINSON had been in contact with her.

Investigation into cell phone records and continued contact with MATERIA revealed a phone number through which ROBINSON contacted MATERIA. The phone number was identified as registered to a "Ms. WHITE" in East Point, GA. Phone records for ROBINSON indicated that he had been in the same area as the address for the phone number. OHARE went to the apartment complex leasing office,

10-0034-34-17

confirmed that WHITE was still at the address, and showed persons at the leasing office a photo of ROBINSON. They indicated that they were not certain, but felt that they had seen ROBINSON in the complex.

Surveillance was conducted on the apartment. WHITE's vehicle was not in the parking lot, so OHARE asked a maintenance man to see if anyone was present in the apartment. The maintenance man knocked on the door, but did not receive an answer. Surveillance was continued. Sometime later, WHITE returned home in a Honda Civic and entered the apartment with a bag in her hand. When she entered, OHARE believed that he could see a person's leg inside the apartment. OHARE contacted the maintenance man and requested that he make another attempt to make contact at the apartment.

The maintenance man went back to the apartment, made contact with WHITE, and entered the apartment. After leaving, the maintenance man contacted OHARE and said that there was a male in the apartment. He requested to take another look at the photograph of ROBINSON and then confirmed that the man in the apartment was ROBINSON. He described ROBINSON as sitting on the sofa with something on his head and appeared to have trimmed down his beard.

OHARE notified the team to have them meet up for a briefing and had another team member relieve him at the apartment so that surveillance would not be interrupted. During that time, WHITE was observed leaving the apartment alone. A decision was made to not stop WHITE to gain cooperation to enter the apartment for fear that she would notify ROBINSON of their presence.

OHARE briefed the team at a nearby church. During the briefing, he relayed the

10-0034-34-17

layout of the apartment based on a description from the leasing office, the background from the incidents in Atlanta and Gwinnett, ROBINSON's mental health history, and the likelihood that the team would have to breach the door since ROBINSON would not answer the door when the maintenance man knocked.

Team members were to be deployed to the rear of the apartment in case ROBINSON fled out of the back door. Two (2) uniformed East Point police officers were requested to be part of the perimeter. ERIC HEINZE was assigned as the lead in the stack, followed by KRISTOPHER HUTCHENS, DANNY DOYLE, JOSH MAUNHEY, "TEZ", and then OHARE as the sixth man.

When the team approached the apartment, HUTCHENS knocked and announced their presence saying, "police, come to the door". After no response, several attempts were made to knock-and-announce. Based on their position near the windows and the potential threat to anyone else who may have been inside the apartment, the decision was made to breach the door. An additional announcement of "police, we are going to breach the door" was made and then WILLIE SAULS breached the door with a ram.

OHARE could not see into the apartment based on his position in the stack, so he relied upon the communication from HEINZE, who called out what he could see as the lead man in the stack. HEINZE announced that he could partially see a person (ROBINSON) and then called out to ROBINSON to show him his hands and come into view. HEINZE then called out that ROBINSON had an object in his hand and then said that he had a gun. As verbal commands were continued, OHARE heard shots fired and could see that the front of the stack were engaged with ROBINSON. OHARE stated that shots were fired, then the shooting stopped, and commands to

10-0034-34-17

“drop the gun” were given. HEINZE called out the actions of ROBINSON, indicating that ROBINSON kept moving behind a wall and then back into view. At some point, SAULS called out “son, drop the gun”. Gunfire continued and then HEINZE moved into the apartment to secure the stairway. He then called out that ROBINSON was down and that the gun was somewhere near him. The rest of the team entered the apartment and cleared the bottom level. At some point during the engagement, a flash bang and then a robot were used.

Some team members went up the stairs to move ROBINSON to the main level. At that time, ROBINSON was handcuffed and was still breathing. A tactical medic, DANIEL DURAND, was brought forward and rendered aid to ROBINSON until EMS arrived.

The team backed out of the apartment and began making notifications to supervisors and others to process the scene. The scene was secured by TFO BARNES.

Due to his position outside the apartment during the engagement, OHARE did not see ROBINSON until he was brought downstairs. At that time, he identified ROBINSON from a tattoo located on his back.

OHARE added that the adjacent apartment was entered to ensure that no one was injured due to the gunfire. He knocked on the door during the engagement and did not receive a response, so he felt that it was likely unoccupied. Inside the apartment, the team observed some bullet holes in the walls and saw that there were East Point police uniforms hanging in the closets. The apartment was cleared by OHARE and a few other team members.

10-0034-34-17

The interview with OHARE concluded at approximately 11:59 AM.

The above is merely a summation of the interview with OHARE. For additional details, refer to the attached audio recording.

**GEORGIA BUREAU OF INVESTIGATION
REGION 10
INVESTIGATIVE SUMMARY**

10-0034-34-17

On Saturday, August 9, 2016, at approximately 1:05 p.m., SPECIAL AGENT (SA) STEVEN MCCALLUM and SA CLINT THOMAS were located at 73 Southwoods Parkway, suite 100, Atlanta, GA 30354, for the purpose of interviewing Officer DANIEL DURAND, officer witness. Attorney TOM ALLEN joined the interview remotely through a conference call. This investigative act was in reference to a request by the East Point Police Department to investigate an officer involved shooting that occurred on August 5, 2016, at 3129 Candlewood Drive, Apartment D, East Point, GA 30344, which resulted in the death of JAMARION ROBINSON.

Prior to questioning, DURAND was advised that this investigation was to determine whether any criminal laws had been violated during the use of force incident on August 5, 2016. The interview was not an administrative or disciplinary inquiry. DURAND was not being compelled to give any statements or answer any questions, and his cooperation was voluntary.

The interview with DURAND was audio recorded, and the recording was attached to this investigative summary and should be referred to for complete details of the interview. DURAND stated essentially the following:

DURAND was a Firefighter for the Clayton County Fire Department for 8 years and a Paramedic for 5 years. DURAND had 4 years of experience in law enforcement and was with the US Marshals Fugitive Task Force for 3 years. On August 5, 2016, DURAND was assigned to the US Marshals Fugitive Task Force as a tactical medic.

10-0034-34-17

On Friday, August 5, 2016, at approximately 12:00 p.m., DURAND'S assistance was requested on an operation with the US Marshals Fugitive Task Force. DURAND was advised to meet at a church located at Interstate 285 and Washington Road. DURAND was late to the church and arrived after the team had already briefed on the operation. When DURAND arrived, the team was ready to leave and execute the warrant. DURAND spoke with members of the team and was briefed on the operation. DURAND lined up and was last in the convoy headed to the apartment complex.

DURAND arrived at the apartment complex and exited his vehicle. The entry team was stacked at the front door of the apartment, and DURAND saw the team knock and announce on the front door. DURAND took cover in the parking lot and could clearly see the entry team from his location. The entry team knocked and announced multiple times at the front door of the apartment, and the case agent eventually gave the order to breach the door. Once the door was breached, the shield man stepped up to the threshold of the door. DURAND heard the shield man communicate with a suspect and could hear the shield man asking the suspect to come down the stairs and show his hands. DURAND said he believed that the shield man saw a weapon and the commands got louder and more forceful. DURAND heard the shield man say, "show me your hands and drop the gun". DURAND heard multiple gun shots and heard WILLIE SAULS on the entry team loudly tell the suspect to drop the gun.

During the incident, DURAND ran back to his vehicle to get his medical bag. When DURAND got back to his location in the parking lot, the entry team engaged the suspect and he heard multiple gunshots. DURAND spoke with a local East Point Police Officer on scene and asked the officer to notify the Clayton County Fire

10-0034-34-17

Department and EMS that shots were fired. DURAND told the officer to have the Fire Department and EMS stage on Washington Road. DURAND went back to his vehicle to get an oxygen bottle.

When DURAND got back with the oxygen bottle, the entry team cleared the lower level of the apartment and called DURAND to come inside and provide aid to the suspect. DURAND went inside the apartment and immediately provided aid to the suspect. DURAND cut the suspect's shirt off and could see injuries to the suspect's abdominal area. The suspect had a few spontaneous respirations of about 3 per minute with no chest rise or fall. DURAND placed the suspect on supplemental oxygen and provided aid to the suspect for approximately 2-3 minutes before the Fire Department arrived on scene. DURAND transferred care of the suspect to EMS personnel with the Clayton County Fire Department. DURAND gave his medical report to the Fire Department outside the front door of the apartment. The Fire Department provided aid to the suspect for a short period of time and eventually pronounced the suspect dead and canceled EMS transport.

DURAND said the entire incident lasted approximately 4-5 minutes. DURAND'S firearm was unholstered at the start of the operation, but DURAND holstered his firearm when he went to his vehicle to get medical equipment. DURAND did not discharge his firearm.

DURAND had no further questions or statements. The interview was concluded at approximately 1:17 p.m.

**GEORGIA BUREAU OF INVESTIGATION
REGION 10
INVESTIGATIVE SUMMARY**

10-0034-34-17

On Tuesday, August 9, 2016, at approximately 1:24 p.m., SPECIAL AGENT (SA) AGIE GEORGE and SA CLINT THOMAS were located at the 73 Southwoods Parkway, Suite 100, Atlanta, Clayton County, Georgia 30354, for the purpose of interviewing United States Marshals Service TASK FORCE AGENT (TFA) EDWARD SMITH, witness. Attorney TOM ALLEN joined the interview remotely through a conference call. This investigative act was in reference to a request by the East Point Police Department to investigate an officer involved shooting that occurred on August 5, 2016, at Candlewood Drive, Apartment D, East Point, GA 30344, which resulted in the death of JAMARION ROBINSON.

Prior to questioning, TFA SMITH was advised that this investigation was to determine whether any criminal laws had been violated during the use of force incident on August 5, 2016. The interview was not an administrative or disciplinary inquiry. TFA SMITH was not being compelled to give any statements or answer any questions, and his cooperation was voluntary.

The interview with TFA SMITH was audio recorded, and the recording was attached to this investigative summary and should be referred to for complete details of the interview. TFA SMITH stated essentially the following:

He was detached from the MARTA Police Department and was assigned to the U.S. Marshals Service Fugitive Task Force in Georgia.

TFA SMITH advised that during a briefing it was explained that ROBINSON previously shot at Atlanta Police Department Officers. Prior to that, ROBINSON

10-0034-34-17

tried to burn his own mother's apartment. TFA SMITH was assigned to cover the back of the residence and could hear the entry team knock at the door. He saw someone look out the top floor rear windows through the blinds. Shortly after he saw the person at the window, TFA SMITH started hearing gunshots. He could not hear any verbal commands because he was positioned at the rear of the residence. TFA SMITH could only see the blinds on the upper floor of the residence move twice prior to the gunshots.

There were two other officers behind the residence with TFA SMITH. He recalled that TFA MARK BELKNAP was also located at the rear of the residence, along with an East Point Police Department Officer whose name he did not know. There were multiple exchanges of gunshots during the shooting, but he could not remember an exact amount. There were workers working on an adjacent building, who were seen running up the hill away from the gunfire. TFA SMITH was in his tact gear with U.S. Marshals clearly marked on the front and back of his vest. There were uniformed East Point Police Department Officers in the front and back of the residence. SA THOMAS asked TFA SMITH if he drew his weapon or fired his weapon. TFA SMITH advised that he did draw his weapon, but he did not fire his weapon. TFA SMITH advised he walked inside the residence only after everything "calmed down".

SA GEORGE asked TFA SMITH if there was anything else TFA SMITH could remember. TFA SMITH had no further information or statements. The interview concluded at approximately 1:30 p.m.

**GEORGIA BUREAU OF INVESTIGATION
REGION 10
INVESTIGATIVE SUMMARY**

10-0034-34-17

On Tuesday, August 9, 2016, at approximately 1:38 p.m., SPECIAL AGENT (SA) AGIE GEORGE and SA CLINT THOMAS were located at the 73 Southwoods Parkway, Suite 100, Atlanta, Clayton County, Georgia 30354, for the purpose of interviewing United States Marshals Service DEPUTY SANTEZ KINDRED, witness. Attorney TOM ALLEN joined the interview remotely through a conference call. This investigative act was in reference to a request by the East Point Police Department to investigate an officer involved shooting that occurred on August 5, 2016, at Candlewood Drive, Apartment D, East Point, GA 30344, which resulted in the death of JAMARION ROBINSON.

Prior to questioning, DEPUTY KINDRED was advised that this investigation was to determine whether any criminal laws had been violated during the use of force incident on August 5, 2016. The interview was not an administrative or disciplinary inquiry. DEPUTY KINDRED was not being compelled to give any statements or answer any questions, and his cooperation was voluntary.

The interview with DEPUTY KINDRED was audio recorded, and the recording was attached to this investigative summary and should be referred to for complete details of the interview. DEPUTY KINDRED stated essentially the following:

DEPUTY KINDRED is a Deputy United States Marshal on the United States Marshals Fugitive Task Force in Georgia.

DEPUTY KINDRED advised the task force responded to the above listed address.

10-0034-34-17

DEPUTY KINDRED was covering the upstairs window, while other officers knocked on the front door of the residence. Another officer knocked and announced, "police we have a warrant". The knocking and announcing the presence of police was done several times. The door was eventually breached to make entry into the residence. Another officer in the stack began a dialog with an individual inside the residence. DEPUTY KINDRED could not see the individual in the residence due to his location outside. The officer having dialog with the individual inside the residence, told the individual inside to come down multiple times. DEPUTY KINDRED heard the officer state "he has something in his hands". DEPUTY KINDRED heard the officer say "gun", and shortly afterwards he heard gunfire. There were three other DEPUTIES in front of DEPUTY KINDRED in the stack outside.

The team made entry into the residence, and DEPUTY KINDRED entered into the living room area. The other officers were trying to tell the suspect upstairs to come down and put the gun down. DEPUTY KINDRED heard more gunfire, then made the decision to secure the immediate area where DEPUTY KINDRED was located. DEPUTY KINDRED could not remember the amount of gunshots fired inside the residence, but there were multiple gun shots fired inside. DEPUTY KINDRED did not fire his weapon.

SA GEORGE asked about the briefing held prior to the execution of the arrest warrant for ROBINSON. DEPUTY KINDRED advised that during the briefing, it was mentioned that ROBINSON was wanted for attempted arson on ROBINSON'S mother's house, and that ROBINSON shot at Atlanta Police Officers the week prior.

SA GEORGE asked DEPUTY KINDRED what he was wearing during the execution of the warrant. DEPUTY KINDRED advised that he was wearing his tactical vest,

10-0034-34-17

helmet, eye and ear protection, rifle, and pistol. He was clearly marked police on the front of his vest and police U.S. Marshal on the back of his vest. The rest of the team was clearly marked as police or U.S. Marshal as well. There were two local police officers along with U.S. Marshals for a uniform presence. DEPUTY KINDRED was initially number four in the stack and was on the landing covering the top windows of the residence.

SA GEORGE asked DEPUTY KINDRED if there was anything else DEPUTY KINDRED could remember. DEPUTY KINDRED advised that this was everything he could remember. DEPUTY KINDRED had no further information or statements. The interview concluded at approximately 1:49 p.m.

INVESTIGATIVE SUMMARY**

10-0034-34-17

On Tuesday, August 9, 2016, at approximately 1:55 p.m., SPECIAL AGENT (SA) AGIE GEORGE and SA CLINT THOMAS were located at the 73 Southwoods Parkway, Suite 100, Atlanta, Clayton County, Georgia 30354, for the purpose of interviewing United States Marshals Service TASK FORCE AGENT (TFA) MARK BELKNAP, witness. Attorney TOM ALLEN joined the interview remotely through a conference call. This investigative act was in reference to a request by the East Point Police Department to investigate an officer involved shooting that occurred on August 5, 2016, at Candlewood Drive, Apartment D, East Point, GA 30344, which resulted in the death of JAMARION ROBINSON.

Prior to questioning, TFA BELKNAP was advised that this investigation was to determine whether any criminal laws had been violated during the use of force incident on August 5, 2016. The interview was not an administrative or disciplinary inquiry. TFA BELKNAP was not being compelled to give any statements or answer any questions, and his cooperation was voluntary.

The interview with TFA BELKNAP was audio recorded, and the recording was attached to this investigative summary and should be referred to for complete details of the interview. TFA BELKNAP stated essentially the following:

TFA BELKNAP advised there was a briefing to serve arrest warrants for ROBINSON that was part of a fugitive investigation lead by DETECTIVE O'HARE. The investigation led to locating ROBINSON at an apartment on Candlewood Drive in East Point, GA. During the course of the investigation, a maintenance man went to

10-0034-34-17

the apartment and saw ROBINSON at the apartment. During the briefing, it was stated that ROBINSON attempted to burn down his own mother's residence. It was also reported that ROBINSON pointed a gun at zone two Atlanta Police Department Officers and fired shots at the officers.

TFA BELKNAP and another officer, EDDIE SMITH, went to the rear of the residence to cover the perimeter. TFA BELKNAP could not hear the entry team announce "police come to the door". OFFICER SMITH told TFA BELKNAP that there was a person that was looking out of the rear window blinds of the residence. TFA BELKNAP could hear the entry team give verbal commands to come out, and he could hear INSPECTOR HEINZE say "put your hands out". TFA BELKNAP could hear the entry team say "drop the gun" and then heard a couple of gunshots. TFA BELKNAP heard over the radio communications that there were shots fired and the subject retained the weapon. TFA BELKNAP heard multiple exchanges of gunfire, but could hear during each exchange that officers said "drop the gun, come out".

TFA BELKNAP heard over the radio that the subject was still raising the gun towards officers, and the team did not have the subject in custody. Eventually the entry team got the subject in custody. TFA BELKNAP remained stationary at the rear of the residence to keep civilians away. TFA BELKNAP remembered the first set of gunshots were three to four, then the next series of gunshots were a couple dozen.

SA GEORGE asked what type of uniform was TFA BELKNAP wearing besides a protective vest. TFA BELKNAP advised the vest had a U.S. Marshals patch on the front of the vest and on the rear had police. SA GEORGE asked if there were any other uniform police officers present. TFA BELKNAP advised there were two

10-0034-34-17

uniform East Point Police Department Officers present during the execution of the arrest warrant.

TFA BELKNAP never fired his weapon, and walked to front door of the residence and looked inside after it was secure. TFA BELKNAP saw the subject laying on the floor on his back with an oxygen mask attached to him. TFA BELKNAP observed a medic working on the subject. TFA BELKNAP clarified that he was at the rear of the residence with another officer during the shooting.

SA GEORGE asked TFA BELKNAP if there was anything else TFA BELKNAP could remember. TFA BELKNAP had no further information or statements. The interview concluded at approximately 2:05 p.m.

**GEORGIA BUREAU OF INVESTIGATION
REGION 10
INVESTIGATIVE SUMMARY**

10-0034-34-17

On Tuesday, August 9, 2016, at approximately 2:14 p.m., SPECIAL AGENT (SA) AGIE GEORGE and SA CLINT THOMAS were located at the 73 Southwoods Parkway, Suite 100, Atlanta, Clayton County, Georgia 30354, for the purpose of interviewing United States Department of Homeland Security Immigration Customs and Enforcement (ICE) DEPORTATION OFFICER (OFC) MARC STRESSINGER, witness. Attorney TOM ALLEN joined the interview remotely through a conference call. This investigative act was in reference to a request by the East Point Police Department to investigate an officer involved shooting that occurred on August 5, 2016, at Candlewood Drive, Apartment D, East Point, GA 30344, which resulted in the death of JAMARION ROBINSON.

Prior to questioning, OFC STRESSINGER was advised that this investigation was to determine whether any criminal laws had been violated during the use of force incident on August 5, 2016. The interview was not an administrative or disciplinary inquiry. OFC. STRESSINGER was not being compelled to give any statements or answer any questions, and his cooperation was voluntary.

The interview with OFC STRESSINGER was audio recorded, and the recording was attached to this investigative summary and should be referred to for complete details of the interview. OFC STRESSINGER stated essentially the following:

OFC STRESSINGER advised that he is currently detached to the U.S. Marshals Fugitive Task Force from ICE. OFC STRESSINGER was not at the briefing for the arrest warrant operation, and was the relief surveillance officer for the lead agent

10-0034-34-17

who was STEVE O'HARE. OFC STRESSINGER'S role was to watch the apartment while the lead agent, O'HARE, briefed the remainder of the team. OFC STRESSINGER'S role was to watch to make sure the suspect did not leave the apartment before the arrest team arrived. OFC STRESSINGER'S additional role was front perimeter. He was not in the entry stack.

OFC STRESSINGER observed the entry team knock several times on the front door of the residence. OFC STRESSINGER was located on a downward set of stairs to the left of the target residence. OFC STRESSINGER did not see anyone look out the windows and noted there was no contact at the door. The team breached the door to make entry. OFC STRESSINGER heard "police" called out several times. OFC STRESSINGER heard OFC HEINZE state "he is at the top of the stairs and he has something in his hands". OFC STRESSINGER heard someone say "he has a gun", and then he heard gunshots. OFC STRESSINGER heard continued commands of "drop the weapon" and then more gunshots fired.

OFC STRESSINGER heard over the radio communications that the subject was still moving and multiple gunshots were fired. OFC STRESSINGER was instructed after the first gunshots were fired, to go behind the residence to let the other perimeter team members know gunshots had been fired. OFC STRESSINGER never fired a shot, but had his gun drawn. OFC STRESSINGER was identified as a law enforcement officer because he had a U.S. Marshal vest on with U.S. Marshal patches on the front and back of the vest. Everyone that he could see was clearly marked as law enforcement with either police or U.S. Marshals patches on them. After the residence was cleared, OFC STRESSINGER went inside and saw the suspect laying on the floor in the living room area. OFC STRESSINGER saw the suspect with medical equipment on his face and around his arm. The suspect did

10-0034-34-17

not have a shirt on, but did have pants on.

During the entry team's interaction with the suspect, OFC STRESSINGER heard the entry team saying to drop the gun multiple times. There were multiple gunshots with multiple cycles of gunfire exchanges. OFC STRESSINGER could only hear gunfire coming from the residence, and only heard one loud bang which was identified as a flash bang.

SA GEORGE asked OFC STRESSINGER if there was anything else OFC STRESSINGER could remember. OFC STRESSINGER had no further information or statements. The interview concluded at approximately 2:24 p.m.

**GEORGIA BUREAU OF INVESTIGATION
REGION 10
INVESTIGATIVE SUMMARY**

10-0034-34-17

On Tuesday, August 9, 2016, at approximately 1:38 p.m., SPECIAL AGENT (SA) AGIE GEORGE and SA CLINT THOMAS were located at the 73 Southwoods Parkway, Suite 100, Atlanta, Clayton County, Georgia 30354, for the purpose of interviewing United States Marshals Service TASK FORCE AGENT (TFA) JAMES LITTLE, witness.

Attorney TOM ALLEN joined the interview remotely through a conference call. This investigative act was in reference to a request by the East Point Police Department to investigate an officer involved shooting that occurred on August 5, 2016, at Candlewood Drive, Apartment D, East Point, GA 30344, which resulted in the death of JAMARION ROBINSON.

Prior to questioning, TFA LITTLE was advised that this investigation was to determine whether any criminal laws had been violated during the use of force incident on August 5, 2016. The interview was not an administrative or disciplinary inquiry. TFA LITTLE was not being compelled to give any statements or answer any questions, and his cooperation was voluntary.

The interview with TFA LITTLE was audio recorded, and the recording was attached to this investigative summary and should be referred to for complete details of the interview. TFA LITTLE stated essentially the following:

TFA LITTLE is detached from the Fulton County Marshal's Office to the U.S. Marshals Fugitive Task Force in Georgia. During a briefing for the arrest warrant operation, INVESTIGATOR O'HARE had a case on ROBINSON for aggravated assault and a warrant for arson. They were briefed that ROBINSON may have

10-0034-34-17

possible mental issues and a gun from a previous aggravated assault on Atlanta Police Department Officers. The gun from the aggravated assault was never recovered; therefore, ROBINSON could still have possession of the gun.

Once members of the U.S. Marshals Task Force arrived, a perimeter was set up around the residence and Deputies knocked on the door. Deputies knocked and announced for anyone inside to come out of the house. There was no answer to the door. After waiting with no answer at the door, the Deputies breached the door to enter the residence. Numerous verbal commands were given for anyone in the residence to come out. INSPECTOR HEINZ stated "let me see you hands" and "show me your hands". TFA LITTLE then heard gunfire, but did not know who shot first because he was outside of the house. The gunfire stopped, then he heard more verbal commands of "show me your hands" followed by more gunfire. Then the entry team moved upstairs while TFA LITTLE and other officers cleared the first floor of the residence. Other Deputies used a robot see where the gun was located upstairs where the subject was located. Another Deputy U.S. Marshal in the stack brought the subject downstairs where a medic began to work on the subject, who was shot. TFA LITTLE observed the medic start CPR.

SA GEORGE asked for clarification on TFA LITTLE'S position during the shooting. TFA LITTLE advised that he remained outside of the residence until the shooting stopped. TFA LITTLE never fired his weapon during the use of force incident. SA GEORGE asked what type of uniform was TFA LITTLE wearing during the use of force incident. TFA LITTLE advised that he was wearing a vest with U.S. Marshal on the front and back. With all of the equipment on TFA LITTLE, anyone could tell he was a police officer. Other members of the team were clearly marked with police or U.S. Marshal on them. The shield utilized by the team was even marked with

10-0034-34-17

either police or U.S. Marshal on the front. TFA LITTLE couldn't see the subject until other Deputies brought the subject down to provide first aid to the subject. There were no additional weapons on the subject when the Deputies brought the subject downstairs.

SA GEORGE asked if there was any other local or state law enforcement with the arrest team. TFA LITTLE advised that the East Point Police Department accompanied the U.S. Marshals arrest team.

SA GEORGE asked TFA LITTLE if there was anything else TFA LITTLE could remember. TFA LITTLE advised that the rear perimeter team did mention over the radio that there was someone looking out the back windows. TFA LITTLE advised that he could hear more when he was face to face with other Deputies, rather than communications over the radio. TFA LITTLE never heard the subject say anything because he was outside the residence when the entry team made contact with the subject.

TFA LITTLE had no further information or statements. The interview concluded at approximately 2:40 p.m.

REGION 10
INVESTIGATIVE SUMMARY**

10-0034-34-17

On Tuesday, August 23, 2016 at approximately 2:00 PM, Special Agent (SA) CLINTON THOMAS was located at the US Marshals Service (USMS) office in Atlanta, GA for the purpose of conducting a follow up interview with Inspector ERIC HEINZE. This investigative act was in reference to a request from the East Point Police Department for the Georgia Bureau of Investigation Atlanta Regional Office to investigate a use of force incident that resulted in the death of JAMARION ROBINSON. Also present during the interview was FLEO attorney TOM ALLEN (via teleconference).

Prior to beginning the interview, SA THOMAS reminded Insp. HEINZE that this investigation was criminal, not administrative, and that the interview was voluntary. SA THOMAS further explained that the purpose of the follow up interview was to obtain additional details regarding the events that occurred after the flash bang was deployed in the incident with ROBINSON. Insp. HEINZE stated essentially the following:

After the flash-bang was deployed, a robot camera was deployed to the top of the stairs to get a better view of any potential threat at the top of the stairs. Insp. HEINZE was holding the shield at that time and could not see the video feed from the robot, but he could hear the camera operator report that they believed that they could see ROBINSON's weapon, but it was not clearly visible.

Insp. HEINZE could not recall specifically if the lower level was cleared before or after the "throw-bot" was deployed, but remembered that it was cleared before the

10-0034-34-17

team moved up the stairs to ROBINSON.

Once the lower level was cleared, Insp. HEINZE moved up a few stairs with one of the team members to see if there was any movement, but then came back downstairs. At that point, he and TFO WILLIE SAULS moved up the stairs about three (3) quarters of the way up to retrieve ROBINSON. They did not want to move any higher because the upper level of the apartment had not been cleared.

As TFO SAULS moved ROBINSON down, Insp. HEINZE watched ROBINSON's hands and indicated to the team when he could see each hand and when he was able to observe the weapon.

He stated that there were no shots fired by the team on the stairs or at the top of the landing. He did not recall any shots fired after the flash bang was deployed.

The interview with Insp. HEINZE concluded at approximately 2:09 PM. The above is merely a summation of the interview. For additional details refer to the attached audio recording.

**GEORGIA BUREAU OF INVESTIGATION
REGION 10
INVESTIGATIVE SUMMARY**

10-0034-34-17

On Tuesday, August 23, 2016 at approximately 2:13 PM, Special Agent (SA) CLINTON THOMAS was located at the US Marshals Service (USMS) office in Atlanta, GA for the purpose of conducting a follow up interview with Task Force Officer (TFO) KRISTOPHER HUTCHENS. This investigative act was in reference to a request from the East Point Police Department for the Georgia Bureau of Investigation Atlanta Regional Office to investigate a use of force incident that resulted in the death of JAMARION ROBINSON. Also present during the interview was FLEO attorney TOM ALLEN (via teleconference).

Prior to beginning the interview, SA THOMAS reminded TFO HUTCHENS that this investigation was criminal, not administrative, and that the interview was voluntary. SA THOMAS further explained that the purpose of the follow up interview was to obtain additional details regarding the events that occurred after the flash bang was deployed in the incident with ROBINSON. TFO HUTCHENS stated essentially the following:

A decision was made to deploy a flash bang prior to attempting to move up the stairs to ROBINSON, so TFO HUTCHENS deployed the flash bang. It detonated without any response from ROBINSON, so TFO JOSH MAUNEY deployed a “throw-bot” with a camera to get a better view of ROBINSON and to attempt to locate the weapon. He estimated that it took approximately 30 seconds to one (1) minute between the detonation of the flash-bang to when the “throw-bot” was deployed. After the “throw-bot” was upstairs, TFO MAUNEY called out that he could see the flash bang and then, after some movement of the “throw-bot” was able to spot what

10-0034-34-17

he believed to be the weapon.

Inspector ERIC HEINZE moved up the stairs with the shield along with TFO DANNY DOYLE initially to check ROBINSON. The pair then moved back down and Insp. HEINZE moved back up with TFO WILLIE SAULS who pulled ROBINSON down the stairs. TFO HUTCHENS assisted TFO SAULS in moving ROBINSON down the stairs and into the living room so that the tactical medic could render aid. The rest of the team then moved upstairs to clear the rest of the apartment.

TFO HUTCHENS did not recall any shots fired after the flash-bang was deployed. He stated that the only shots fired from the team were from the doorway and the base of the stairs, and that there were no shots fired from any position on the stairs.

The interview with TFO HUTCHENS concluded at approximately 2:19 PM.

The above is merely a summation of the interview with TFO HUTCHENS. For additional details, refer to the attached audio recording.

**GEORGIA BUREAU OF INVESTIGATION
REGION 10
INVESTIGATIVE SUMMARY**

10-0034-34-17

On Tuesday, August 23, 2016 at approximately 2:24 PM, Special Agent (SA) CLINTON THOMAS was located at the US Marshals Service (USMS) office in Atlanta, GA for the purpose of conducting a follow up interview with Task Force Officer (TFO) JOSH MAUNNEY. This investigative act was in reference to a request from the East Point Police Department for the Georgia Bureau of Investigation Atlanta Regional Office to investigate a use of force incident that resulted in the death of JAMARION ROBINSON. Also present during the interview was FLEO attorney TOM ALLEN (via teleconference).

Prior to beginning the interview, SA THOMAS reminded TFO MAUNNEY that this investigation was criminal, not administrative, and that the interview was voluntary. SA THOMAS further explained that the purpose of the follow up interview was to obtain additional details regarding the events that occurred after the flash bang was deployed in the incident with ROBINSON. TFO MAUNNEY stated essentially the following:

After the flash-bang went off, TFO MAUNNEY tossed the “throw-bot” up the stairs near ROBINSON. He believed that it took approximately one (1) minute to get the “throw-bot” up the stairs because he had to get it out of the case in his truck prior to making a couple of attempts to toss it up the stairs. Once it was upstairs, he believed that he could see the weapon under ROBINSON, but wasn’t completely positive because the “throw-bot” was tangled in a vacuum cord which made it difficult to maneuver the robot. He added that it took him some time to maneuver the robot around while it was tangled up in the cord so that he could get a better

10-0034-34-17

view of the weapon.

After that, Inspector ERIC HEINZE and TFO DANNY DOYLE moved up the stairway to see if they could locate the weapon. The two (2) then came back down, and Insp. HEINZE and TFO WILLIE SAULS moved up the stairs to move ROBINSON down and away from the weapon.

TFO MAUNNEY did not witness any shots fired by the team on the stairs. All shots were either from the doorway or the bottom landing. He did not recall any shots fired after the flash-bang was deployed.

The interview concluded at approximately 2:30 PM.

The above is merely a summation of the interview with TFO MAUNNEY. For additional details, refer to the attached audio recording.

**GEORGIA BUREAU OF INVESTIGATION
REGION 10
INVESTIGATIVE SUMMARY**

10-0034-34-17

On Tuesday, August 23, 2016 at approximately 2:37 PM, Special Agent (SA) CLINTON THOMAS was located at the US Marshals Service (USMS) office in Atlanta, GA for the purpose of conducting a follow up interview with Task Force Officer (TFO) DANNY DOYLE. This investigative act was in reference to a request from the East Point Police Department for the Georgia Bureau of Investigation Atlanta Regional Office to investigate a use of force incident that resulted in the death of JAMARION ROBINSON. Also present during the interview was FLEO attorney TOM ALLEN (via teleconference) and attorney SCOTT SMITH.

Prior to beginning the interview, SA THOMAS reminded TFO DOYLE that this investigation was criminal, not administrative, and that the interview was voluntary. SA THOMAS further explained that the purpose of the follow up interview was to obtain additional details regarding the events that occurred after the flash bang was deployed in the incident with ROBINSON. TFO DOYLE stated essentially the following:

The team decided to throw a flash-bang near ROBINSON to see if there was a startle reflex to determine if he was unconscious. TFO DOYLE did not observe a response, but noted that ROBINSON was still breathing. A little less than a minute after the flash-bang deployed, a "throw-bot" was deployed to attempt to locate the position of the weapon. Within about thirty seconds after the "throw-bot" was deployed, TFO JOSH MAUNHEY was able to locate the weapon and see that ROBINSON was not holding the weapon. It was then decided that it was safe to clear the rest of the residence and then move upstairs to ROBINSON. It took a few

10-0034-34-17

minutes to clear the ground floor before Insp. HEINZE and TFO DOYLE moved up the stairs. TFO DOYLE added that he did not feel that it was safe to move up to the top of the stairs until the team had finished clearing the lower level and moved back into position behind him.

Once the lower level was clear, Insp. HEINZE and TFO DOYLE moved up the stairs to conduct a quick threshold clearing at the top of the stairs to identify any potential threats. The two (2) then backed down the stairs. Insp. HEINZE and TFO WILLIE SAULS then moved back up the stairs to pull ROBINSON down. A medic was then immediately called in to tend to ROBINSON.

TFO DOYLE and other members of the team then went upstairs to clear the rest of the apartment.

TFO DOYLE did not recall any shots fired from his team from any locations other than the threshold of the apartment and the bottom landing of the stairs, and affirmed that there were no shots fired on the stairs or at the top of the stairs. He did not recall any shots fired after the flash-bang went off.

The interview with TFO DOYLE concluded at approximately 2:44 PM.

The above is merely a summation of the interview with TFO DOYLE. For additional details, refer to the attached audio recording.

**GEORGIA BUREAU OF INVESTIGATION
REGION 10
INVESTIGATIVE SUMMARY**

10-0034-34-17

On Tuesday, August 23, 2016 at approximately 2:55 PM, Special Agent (SA) CLINTON THOMAS was located at the US Marshals Service (USMS) office in Atlanta, GA for the purpose of conducting a follow up interview with Task Force Officer (TFO) WILLIE SAULS. This investigative act was in reference to a request from the East Point Police Department for the Georgia Bureau of Investigation Atlanta Regional Office to investigate a use of force incident that resulted in the death of JAMARION ROBINSON. Also present during the interview was FLEO attorney TOM ALLEN (via teleconference).

Prior to beginning the interview, SA THOMAS reminded TFO SAULS that this investigation was criminal, not administrative, and that the interview was voluntary. SA THOMAS further explained that the purpose of the follow up interview was to obtain additional details regarding the events that occurred after the flash bang was deployed in the incident with ROBINSON. TFO SAULS stated essentially the following:

After the flash-bang was deployed, the shield and other team members held the bottom of the stairs while SAULS and the rest of the team cleared the lower level of the apartment. He estimated that it took approximately three (3) minutes to get the team in, clear the lower level, and then stack back up on the stairs.

A “throw-bot” was deployed up the stairs to attempt to locate the weapon. He recalled that the “throw-bot” was hung up and unable to move and that it was not clear if they could see the weapon. He initially indicated that the team cleared the

10-0034-34-17

apartment before the "throw-bot" was deployed, but later recalled that the "throw-bot" was after the flash-bang and preceded the clearing of the lower level.

The shield operator and others moved up the stairs partially to attempt to get a better view of the weapon. They could see that ROBINSON was still breathing at that moment. The shield operator and TFO SAULS moved further up the stairs to a point where TFO SAULS could grab the leg of ROBINSON and pull him down the stairs. As ROBINSON was moved, the team was able to see the weapon. TFO SAULS believed that it could be seen on the camera of the "throw-bot". ROBINSON was then brought down the stairs and passed to the medic to render aid. The team then went up the stairs to clear the weapon.

He did not witness any shots fired from the team from any position other than the door and the bottom of the stairs. There were no shots on the stairs or at the top of the stairs. He did not recall any shots fired after the deployment of the flash-bang.

TFO SAULS added that when he went up the stairs, he had his weapon holstered so that he could crawl up the stairs and still have one hand free when he held ROBINSON's leg.

The interview with TFO SAULS concluded at approximately 3:07 PM.

The above is merely a summation of the interview with TFO SAULS. For additional details, refer to the attached audio recording.

INVESTIGATIVE SUMMARY**

10-0034-34-17

On Tuesday, August 9, 2016, at approximately 8:30 a.m., SPECIAL AGENT JOSH ELLIS was located at GBI Headquarters in Decatur, DeKalb County, Georgia, to process firearms evidence recovered during a shooting incident involving a U.S. Marshal's Task Force in East Point, Fulton County, Georgia in which a subject died. SA ELLIS photographed evidence using a Nikon D7100 digital camera. These photographs were attached.

SA ELLIS noted that the Hi-point firearms .380 handgun (BB13172) was covered in blood. SA ELLIS also noted slight damage to the plastic composing the frame of the weapon near the muzzle of the weapon. The bluing of the barrel of the weapon also appeared to be damaged.

SA ELLIS photographed the HK UMP .40, the MP5 9mm, and the Glock Model 22 .40 caliber pistol marked with BB13173, BB13174, and BB13175.

No further action was taken at this time.

INVESTIGATIVE SUMMARY**

10-0034-34-17

On Monday, August 8, 2016, at approximately 2:00 p.m., Special Agent (SA) JASTACIA CHEEKS contacted the Fulton County Medical Examiner's Office regarding the autopsy of JAMARION ROBINSON. This investigative act was in reference to a request by the East Point Police Department to investigate the officer involved shooting with the United States Marshals Southeast Regional Fugitive Task Force which resulted in the death of ROBINSON.

SA CHEEKS spoke with Fulton County Medical Examiner Investigator MARK GILBEAU who stated ROBINSON'S autopsy was performed by Fulton County Associate Medical Examiner Doctor MICHELE STAUFFENBERG. STAUFFENBERG concluded ROBINSON'S manner of death to be homicide and his cause of death to be multiple gunshot wounds to the torso, upper and lower extremities. No additional information was provided by GILBEAU.

Contact with GILBEAU concluded at approximately 2:10 p.m.

SA CHEEKS submitted a written request for the autopsy report and photos.

INVESTIGATIVE SUMMARY**

10-0034-34-17

On Friday, August 26, 2016, at approximately 11:55 a.m., Special Agent in Charge CYNTHIA ADKINS was located at the GBI Atlanta Regional Office in Conyers, Georgia. SAC ADKINS met with Investigator GREG THOMAS with the Fulton County District Attorney's Office to obtain evidence in the officer involved shooting that resulted in the death of JAMARION ROBINSON. THOMAS received evidence from the ROBINSON'S family attorney's Investigator, RASHID MCCALL, and an expert hired by the Fulton County District Attorney's Office, ROSS GARDENER. THOMAS provided SAC ADKINS with the following items of evidence:

One (1) projectile recovered by GARDENER from upstairs wall of Apartment D in Building 3129 at Parkside at Camp Creek Apartments, 4031 Seven Oaks, Atlanta, GA. The projectile was labeled with GBI bar code AA28101. One (1) piece of tan carpet and padding that was recovered by MCCALL. The carpet and padding were labeled with GBI bar code AA28100. One (1) projectile recovered by MCCALL from floor of Apartment D. The original envelope containing the projectile was labeled "A" and dated "8-10-16". The projectile was labeled with GBI bar code AA28103. One (1) projectile recovered by MCCALL from floor of Apartment D. The original envelope containing the projectile was labeled "B" and dated "8-10-16". The projectile was labeled with GBI bar code AA28102. A report by Forensic Firearms Examiner KELLY FITE. One (1) imation DVD-R labeled "Jamarion Robinson" that contained funeral home photos of the decedent, ROBINSON, post processing of the body, cell phone footage of the incident, and crime scene photos.

All of the above listed items were previously recorded on forms from the Fulton

10-0034-34-17

County District Attorney's Office (see attached). SAC ADKINS recorded all of the items on GBI Receipt for Property E-560776 (see attached). FITE'S report was scanned and attached to this summary. The DVD-R was placed in the case file.

**GEORGIA BUREAU OF INVESTIGATION
REGION 10
INVESTIGATIVE SUMMARY**

10-0034-34-17

On Monday, August 15, 2016, at approximately 10:00 a.m., Special Agent (SA) JASTACIA CHEEKS was located at the Fulton County Police Department (FCPD), 5440 Fulton Industrial Boulevard in Atlanta, Georgia, for the purpose of reviewing the personnel and Internal Affairs files of FCPD Officer DANNY DOYLE. This investigative act was in reference to a request by the East Point Police Department to investigate the officer involved shooting with the United States Marshals Southeast Regional Fugitive Task Force (USMSERFTF) which resulted in the death of JAMARION ROBINSON.

FCPD Investigator UNIQUA NORRIS provided SA CHEEKS with the personnel file of DOYLE. In reviewing the records, the following information was noted:

DOYLE was hired with the Fulton County Police Department on June 1, 2000.

DOYLE received satisfactory ratings on his Performance Appraisal Evaluations.

DOYLE received three letters of commendation, as well as the U.S. Attorney General's Award for Exceptional Heroism. DOYLE also received the award for Fulton County Employee of the Quarter in August 2001.

No disciplinary letters were noted in DOYLE'S personnel file.

In reviewing DOYLE'S Internal Affairs records, the following information was noted:

10-0034-34-17

There were three (3) Internal Affairs investigations in DOYLE'S file which included one report involving use of force - discharging of firearm. The report was referenced as Case Number 12-001-07 and was dated May 3, 2012. It documented DOYLE and other Task Force Officers with the USMSERFTF were executing a felony warrant. The subject fired at Officers, who returned fire, fatally wounding the subject. DOYLE was exonerated.

A second Internal Affairs investigation was dated December 3, 2013, and was referenced as Case Number 13-001-05. In this investigation, a rock struck the windshield of DOYLE'S county issued vehicle causing damage. DOYLE was exonerated.

A third Internal Affairs investigation was dated April 29, 2014, and was referenced as Case Number 14-001-00. In this investigation, DOYLE deployed his county issued Taser to control a violent subject while executing a felony arrest warrant. DOYLE was exonerated.

It should also be noted, DOYLE had five (5) closed Internal Affairs files that were not reviewed by SA CHEEKS due to the files being purged. Those files were referenced as Case Numbers 00-001-00, 00-002-05, 00-013-06, 01-001-00 and 01-002-00. In case 01-001-00, DOYLE was exonerated, but required to attend additional training.

No additional information was obtained. Contact concluded at approximately 11:15 a.m.

INVESTIGATIVE SUMMARY**

10-0034-34-17

On Monday, August 15, 2016, at approximately 2:06 PM, Special Agent (SA) CLINTON THOMAS received an email from Senior Inspector CHRIS GABOR, US Marshals Service (USMS), regarding the Internal Affairs file for Inspector ERIC HEINZE. This investigative act was in reference to a request from the East Point Police Department for the Georgia Bureau of Investigation Atlanta Regional Office to investigate a use of force incident that resulted in the death of JAMARION ROBINSON. SA THOMAS had previously met with Insp. GABOR on Saturday, August 6, 2016, and requested information related to Insp. HEINZE's IA file.

The email from Insp. GABOR included an attached summary of the USMS Internal Affairs file for Insp. HEINZE. SA THOMAS noted that there were two (2) reports summarized in the file; one (1) was a file opened for this incident. The summary report will be attached to this case file. See the attached report for additional details.

**GEORGIA BUREAU OF INVESTIGATION
REGION 10
INVESTIGATIVE SUMMARY**

10-0034-34-17

On Wednesday, August 17, 2016, at approximately 8:58 AM, Special Agent (SA) CLINTON THOMAS was located at the Parkside at Camp Creek Apartment complex for the purpose of interviewing PATRICK THOMAS. This investigative act was in reference to a request from the East Point Police Department for the Georgia Bureau of Investigation Atlanta Regional Office to investigate a use of force incident that resulted in the death of JAMARION ROBINSON. PATRICK was a maintenance worker at the apartment complex and was a witness in this investigation. PATRICK stated essentially the following:

On August 5, 2016, PATRICK was at the leasing office for the Parkside at Camp Creek apartments where a US Marshal presented a photo of a person whom the US Marshals Service (USMS) were looking for. PATRICK did not immediately recognize the person in the photo, but was willing to go to apartment 3129 D to see if anyone was there. He indicated that block of apartments was scheduled for work and that it would not be out of the ordinary for maintenance workers to conduct checks of the apartments prior to work.

PATRICK went to building 3129 and found that apartments A and B were vacant. He knocked on apartment D for several minutes with no response. Afterward, he was contacted by the US Marshal and told the Marshal that no one came to the door.

At approximately 11:45 AM, the Marshal contacted PATRICK and stated that a woman had entered the apartment. PATRICK returned to the apartment, knocked

10-0034-34-17

on the door, and spoke with the woman who invited him in to check the apartment. PATRICK later recalled that the woman's last name was WHITE. When PATRICK entered the apartment, he observed a male on the sofa. He did not immediately identify the male on the sofa as the same person in the photograph he viewed from the US Marshal. After PATRICK was inside the apartment for a few minutes, he spoke with the woman in the living room regarding the work scheduled for the apartment. During his conversation with the woman, he noticed that the male did not make eye contact with him. He focused on the face of the male and believed that the male was the same person as in the photo he viewed previously. PATRICK stated that the male's nose and eyes looked the same as in the photograph, but that the male had apparently shaved his beard and covered his head with a white scarf.

After PATRICK left the apartment, he contacted the US Marshal and requested to view the photo again. After viewing the photo, PATRICK felt "90%" sure that it was the same person as in the apartment. He then described the layout of the apartment to the Marshal. He specifically described the position of the stairs in relation to the door, and that the line of sight from the door would be obscured, adding "he may see you, but you can't see them".

PATRICK believed that the male in the apartment probably knew that he was wanted by police based on his demeanor while he was speaking with WHITE. He added that he was concerned that if he had entered the apartment with a key, as was customary for the maintenance workers at the complex, that he could have potentially been attacked by the male.

The interview with PATRICK concluded at approximately 9:14 AM.

10-0034-34-17

The above is merely a summation of the interview. For additional details, refer to the attached audio recording.

**GEORGIA BUREAU OF INVESTIGATION
REGION 10
INVESTIGATIVE SUMMARY**

10-0034-34-17

On Wednesday, August 17, 2016, at approximately 10:33 a.m., Special Agent (SA) JASTACIA CHEEKS was located in Fulton County, Georgia, for the purpose of receiving firearms qualifications records for Fulton County Police (FCPD) Officer DANNY DOYLE. This investigative act was in reference to a request by the East Point Police Department to investigate the officer involved shooting with the United States Marshals Southeast Regional Fugitive Task Force (USMSERFTF) which resulted in the death of JAMARION ROBINSON.

FCPD Sergeant (SGT) WESLEY SPIVEY provided SA CHEEKS via electronic mail (email) a copy of the most recent firearms qualifications scores for DOYLE which have been attached to this investigative summary. The attached document also listed the serial number of DOYLE'S assigned weapon.

INVESTIGATIVE SUMMARY**

10-0034-34-17

On Friday, August 19, 2016, at approximately 10:30 a.m., Special Agent (SA) JASTACIA CHEEKS was located at the Fulton County Police Department for the purpose of returning search warrants SW-011693, SW-011694, and their inventories. This investigative act was in reference to a request by the East Point Police Department to investigate the officer involved shooting with the United States Marshals Southeast Regional Fugitive Task Force (USMSERFTF) which resulted in the death of JAMARION ROBINSON.

SA CHEEKS presented Fulton County Magistrate JUDGE LILLIAN CAUDLE with a return of search warrant and inventory for warrants SW-011693 and SW-011694. After reviewing the returns and inventories for accuracy, JUDGE CAUDLE did sign the return. A copy of the return will be attached to this investigative summary.

Contact with JUDGE CAUDLE concluded at approximately 11:10 a.m.

**GEORGIA BUREAU OF INVESTIGATION
REGION 10
INVESTIGATIVE SUMMARY**

10-0034-34-17

On Friday, August 26, 2016, at approximately 5:00 PM, Special Agent (SA) CLINTON THOMAS was in receipt of an email from Deputy Chief WILLIAM TATE of the East Point Fire Department. The email contained two (2) attached reports from a call to 3129 Candlewood Dr, East Point, Fulton County, GA. The documents were in reference to a request by the East Point Police Department for the Georgia Bureau of Investigation Atlanta Regional Office to investigate a use of force incident that resulted in the death of JAMARION ROBINSON.

SA THOMAS reviewed the two (2) reports and noted that Fire/EMS was requested to respond to 3129 Candlewood Dr Apt D, East Point at approximately 1:13 PM on August 5, 2016. For additional information, refer to the two (2) attached reports from the East Point Fire Department.

**GEORGIA BUREAU OF INVESTIGATION
REGION 10
INVESTIGATIVE SUMMARY**

10-0034-34-17

On Tuesday, August 23, 2016 at approximately 9:34 AM, Special Agent (SA) CLINTON THOMAS was located at the Clayton County Police Department to review Personnel and Internal Affairs files for Officer KRISTOPHER HUTCHENS. This investigative act was in reference to a request from the East Point Police Department for the Georgia Bureau of Investigation Atlanta Regional Office to investigate a use of force incident that resulted in the death of JAMARION ROBINSON. SA THOMAS reviewed files provided to him by Lieutenant BARRY DAVIS with the Clayton County Police Department.

SA THOMAS reviewed the Internal Affairs file for Officer HUTCHENS and noted the following:

- Case #08-143 was dated 8/27/08, failure to appear at Grand Jury. Officer HUTCHENS was suspended for one day.
- Case #06-062 was dated 7/14/06, use of force investigation in which Officer HUTCHENS and another Officer had to use physical force to arrest a subject who sustained injuries when he went to the ground. This case was closed with no further investigation.
- Case #04-030 was dated 4/14/04, subject claimed he was beaten by Police during his arrest. This case was determined to be unsubstantiated and that the injuries perceived in the photo were determined to be shadows and a bad copy of photograph.
- Case #04-031 was dated 4/14/04, subject that was injured during an arrest and claimed that the Officer's punched and spit on him. The case was determined to be

10-0034-34-17

unfounded.

- Case #04-011 was dated 2/4/04, in reference to a discrepancy in the weight of narcotics sent to the Lab. This case was determined to be the result of a procedural error.
- Case #13-282 was dated 10/10/13, in reference to a subject claiming he was improperly arrested for a disorderly house. This case was determined to be not sustained.

SA THOMAS reviewed the Personnel file of Officer HUTCHENS and noted that Officer HUTCHENS was originally hired on August 5, 1996 with the Clayton County Police Department and resigned on April 7, 2009. He was then re-employed on April 22, 2013. SA THOMAS noted that in his resignation letter in 2009, Officer HUTCHENS indicated that he had accepted a position with the Department of Homeland Security as an Immigration Enforcement Agent.

SA THOMAS noted multiple performance evaluation program forms. In all performance evaluation reports, Officer HUTCHENS received an above average for overall, outstanding rating.

SA THOMAS noted approximately twenty nine (29) memos or letters of commendation in Officer HUTCHENS personnel file. The most recent include a memo dated October 30, 2015 in which Officer HUTCHENS was recognized for having the Southeast Regional Task Force (SERTF) case of the quarter for the third quarter of 2015. Another memo indicated that Officer HUTCHENS was the 2015 Task Force Officer (TFO) of the year. A memo dated March 17, 2015, Officer HUTCHENS was noted as receiving a Medal of Valor recommendation.

10-0034-34-17

SA THOMAS noted several disciplinary actions including the following:

- Disciplinary action dated 9/19/08 was in regards to failure to appear to Grand Jury in which Officer HUTCHENS was suspended for one day.
- Letter of reprimand for failure to appear for Grand Jury on 8/20 and 8/27/2008.
- Oral reprimand dated 1/28/04 was in reference to Officer HUTCHENS continuing a pursuit without permission.
- Letter of reprimand dated 10/21/97 for failure to appear court.
- Letter of reprimand dated 9/10/01 was in regard to a vehicle accident in which Officer HUTCHENS backed his vehicle into another.
- Memo dated 4/2/08 was in reference to a non-preventable crash.

Lieutenant DAVIS provided SA THOMAS with copies of Officer HUTCHENS training report and most recent firearms qualification reports. SA THOMAS noted that the two firearms training reports were for Officer HUTCHENS qualification with his H&KMP5, serial #62-369489. It should be noted that the serial number on the training report matched the serial number of the weapon obtained by SA THOMAS on August 5, 2016 from the US Marshals (See summary #562394).

The training report and Firearms qualification will be scanned and attached to this summary.

This investigative act concluded at approximately 10:20 AM.

**GEORGIA BUREAU OF INVESTIGATION
REGION 10
INVESTIGATIVE SUMMARY**

10-0034-34-17

On Tuesday, August 23, 2016, at approximately 11:01 AM, Special Agent (SA) CLINTON THOMAS was located at East Point Police Department for the purpose of interviewing Investigator WILLIAM MCNEIL. This investigative act was in reference to a request from the East Point Police Department for the Georgia Bureau of Investigation Atlanta Regional Office to investigate a use of force incident that resulted in the death of JAMARION ROBINSON. Investigator MCNEIL was a witness in this investigation and stated essentially the following:

Investigator MCNEIL was advised by his Major that the US Marshals Service (USMS) had an arrest warrant for a subject that was involved with a shootout with Atlanta Police Department. He went to Southwest Christian College to meet with the USMS and requested an additional uniformed officer, identified as Officer DUNN to assist.

Investigator MCNEIL sat in on the briefing and learned that the subject was involved in a shooting and had an additional warrant out for his arrest for arson. The address that the subject was believed to be at was 3129 Candlewood Drive, East Point, GA. He and Officer DUNN would be assigned to the perimeter. Officer DUNN was to be assigned to the front of the apartment and Investigator MCNEIL would be positioned in the rear.

Upon arrival to the scene, Investigator MCNEIL moved to the rear of the apartment and was located at the southwest corner of the apartment building, which was the furthest from the door that the US Marshals were approaching. He was in the rear

10-0034-34-17

with two other US Marshals, one of which was positioned behind a tree at the center of the building and the other was positioned at the opposing corner to the rear.

He was aware entry was made and could hear a couple of semi-automatic gunshots followed by rapid fire. He and the other two US Marshals moved from their original positions into positions of cover. He moved around the corner of the apartment. The US Marshal that was located behind the tree moved across and to the side of the apartment building to the rear of the apartment, and the other US Marshal that was at the other corner moved to the corner of an adjacent apartment building. During the exchange of gunfire, Investigator MCNEIL could see rounds coming out of the top of the backside of the apartment that the Marshals were in. Because of his position, he could not hear the commands or determine the number of shots that he had heard. He stood by in his position until the scene was cleared by the entry team. At that point, he moved around to the front and met with Officer DUNN to insure that she was OK. He did not go into the apartment at any time and remained on the perimeter.

Investigator MCNEIL recalled that a call for emergency medical service (EMS) and an additional ambulance was made at approximately 13:21 based on reports that he had on hand.

Investigator MCNEIL provided SA THOMAS with a sketch of the scene depicting his and the two US Marshals original positions, and depicted their movement to new locations once shots were fired. The sketch will be scanned and attached to this summary and the original will be placed in the back of case file.

The above is merely a summation of the interview, for additional details, refer to the attached audio recording.

**GEORGIA BUREAU OF INVESTIGATION
REGION 10
INVESTIGATIVE SUMMARY**

10-0034-34-17

On Tuesday, August 26, 2016, at approximately 11:16 AM, Special Agent (SA) CLINTON THOMAS was located at East Point Police Department for the purpose of interviewing Corporal AMBRA DUNN. This investigative act was in reference to a request from the East Point Police Department for the Georgia Bureau of Investigation Atlanta Regional Office to investigate a use of force incident that resulted in the death of JAMARION ROBINSON. Corporal DUNN was a witness in this investigation and stated essentially the following:

Corporal DUNN was assigned to patrol Zone 7 when she was contacted by her supervisor to assist with a US Marshals Service (USMS) arrest warrant. She met at a church on Washington Road and attended the briefing from the US Marshals. She learned that the subject was located at Candlewood Drive and was further told that he would possibly engage with the Marshals because he had shot at police officers before. Corporal DUNN indicated that she was requested to be there to provide marked police presence.

Following the briefing, they went to the apartment complex. Corporal DUNN positioned herself behind a white pickup truck belonging to one of the US Marshals that was located at the corner of the apartment building that the US Marshals Service was approaching. When the Marshals approached, they knocked on the door several times and repeatedly announced "US Marshals, come out". From her position, she could not hear anyone inside the apartment. Once the US Marshals breached the door, she heard one of the Marshals yelling "Drop the weapon, drop the weapon", followed by continual verbal commands. She heard several bouts of

10-0034-34-17

gunfire and during the gunfire could hear additional verbal commands. From her position behind the truck, she maintained visual on the second floor windows of the apartment and could not clearly see the Marshals at the door or inside the apartment.

Once the Marshals had cleared the scene, she remained on the perimeter and did not enter the apartment at any time. She also indicated that she did not see ROBINSON at any point during or after the engagement.

Corporal DUNN provided SA THOMAS with a sketch showing her approximate location in relation to the apartment building. The sketch will be scanned and attached to this summary and the original will be placed in the back of case file.

The interview of Corporal DUNN concluded at approximately 11:30 AM. The above is merely a summation of the interview, for additional details, refer to the attached audio recording.

INVESTIGATIVE SUMMARY**

10-0034-34-17

On Friday, August 26, 2016, at approximately 12:54 PM, Special Agent (SA) CLINTON THOMAS was located at the East Point Fire Department (EPFD) administrative offices, 3121 Norman Barry Dr, East Point, Fulton County, GA for the purpose of interviewing paramedic WILLIAM STEEL. This investigative act was in reference to a request from the East Point Police Department for the Georgia Bureau of Investigation Atlanta Regional Office to investigate a use of force incident that resulted in the death of JAMARION ROBINSON. STEEL responded to the scene and was a witness in this investigation. STEEL stated essentially the following:

On August 5, 2016, he was assigned to Rescue 4 and was dispatched to stage at Candlewood until the scene was cleared by the US Marshals. Once the scene was cleared, he met with the medic from the US Marshal's team who informed him that the subject was shot multiple times and had agonal respirations.

STEEL advised the other paramedic with him, KENNETH JONES, to remain outside of the apartment while he went in to check on the subject. Upon entering the apartment, he observed ROBINSON on the living room floor with an oxygen mask over his face. He did not detect any life signs and checked for a pulse for approximately 30 seconds, there was none detected. He observed approximately six (6) wounds to ROBINSON's abdomen, but did not check for any additional injuries. He recalled that ROBINSON was not handcuffed.

Upon leaving the apartment, STEEL spoke with an East Point PD officer and then

10-0034-34-17

left the scene. Other than communicating with the USMS medic, he did not speak with any other team members.

The interview with STEEL concluded at approximately 1:02 PM.

The above is merely a summation of the interview with STEEL. For additional details, refer to the attached audio recording.

On Tuesday, August 30, 2016 at approximately 3:00 PM, Special Agent (SA) CLINTON THOMAS was located at the East Point Police Department (EPPD) for the purpose of obtaining copies of the EPPD CAD and radio communications audio. This investigative act was in reference to a request from the East Point Police Department for the Georgia Bureau of Investigation Atlanta Regional Office to investigate a use of force incident that resulted in the death of JAMARION ROBINSON. SA THOMAS obtained the following from EPPD Communications manager WALTERS:

SA THOMAS was provided with a copy of a CAD report for call number 162180133 dated August 5, 2016 at 1:21 PM. The CAD report will be scanned and attached to this summary.

SA THOMAS was also provided a CD containing audio from EPPD radio communications. The files on the CD will be attached to this summary and the CD will be placed in the back of the case file.

INVESTIGATIVE SUMMARY**

10-0034-34-17

On Thursday, September 15, 2016 at approximately 9:00 AM, Special Agent (SA) CLINTON THOMAS was located at the East Point Police Department, 2727 East Point St, East Point, Fulton County, GA for the purpose of receiving a CD containing 911 audio from Communications Manager RUSSELL WALTERS. This investigative act was in reference to a request from the East Point Police Department for the Georgia Bureau of Investigation Atlanta Regional Office to investigate a use of force incident that resulted in the death of JAMARION ROBINSON.

WALTERS provided SA THOMAS with a CD containing radio communications and a 911 call identified to be related to the use of force incident on August 5, 2016. The radio communication on the CD was the same audio provided to SA THOMAS by WALTERS at an earlier date. Therefore, the 911 call audio will be attached to this summary only. The CD will be placed in the case file.

**GEORGIA BUREAU OF INVESTIGATION
REGION 10
INVESTIGATIVE SUMMARY**

10-0034-34-17

On Friday, September 2, 2016, at approximately 9:20 AM, Special Agent (SA) CLINTON THOMAS was located at the Fulton County Medical Examiners Office, 430 Pryor St SW, Atlanta, Fulton County, Georgia for the purpose of obtaining evidence for this case. This investigative act was in reference to a request from East Point Police Department for the Georgia Bureau of Investigation Atlanta Regional Office to investigate a use of force incident that resulted in the death of JAMARION ROBINSON.

SA THOMAS met with Fulton County Medical Examiner's Office technician CHARLES LOVE and collected two (2) brown paper bags containing the clothing worn by ROBINSON and a set of handcuffs.

The clothing was recorded in JIMNET (Barcode BB13212) and submitted to the GBI Crime Lab along with the three (3) weapons (Barcodes BB13173, BB13174, and BB13175) fired by the US Marshal's Service task force officers. For additional details, refer to the evidence submission form and memo attached to this summary. The above items were submitted at 10:52 AM on this same date by SA JOSH ELLIS.

The handcuffs were documented on GBI Evidence receipt E-501242. Since the handcuffs would not be returned to the US Marshal's office on this date, the handcuffs were then entered into JIMNET (Barcode AA12807) and placed in evidence storage.

**GEORGIA BUREAU OF INVESTIGATION
REGION 10
INVESTIGATIVE SUMMARY**

10-0034-34-17

On Wednesday, September 7, 2016, at approximately 8:59 AM, Special Agent (SA) CLINTON THOMAS reviewed intelligence query results for officers in this investigation. This investigative act was in reference to a request from the East Point Police Department for the Georgia Bureau of Investigation Atlanta Regional Office to investigate a use of force incident that resulted in the death of JAMARION ROBINSON.

SA THOMAS previously requested intelligence inquiries on August 8, 2016, from GBI Intelligence. On this date, SA THOMAS reviewed the intelligence inquiries and found no criminal history records or other GBI intelligence records for Inspector ERIC HEINZE, Detective DANNY DOYLE, or Officer KRIS HUTCHENS.

The GCIC query results will be attached to this summary. It should be noted that the GCIC results show records for persons with similar identifying information to HEINZE and HUTCHENS; however, the results were not for these specific officers. For complete details, refer to the attached query results.

**GEORGIA BUREAU OF INVESTIGATION
REGION 10
INVESTIGATIVE SUMMARY**

10-0034-34-17

On Wednesday, September 7, 2016, at approximately 10:27 AM, Special Agent (SA) CLINTON THOMAS received an email from RYAN POWELL, Director, GA Peace Officer Standards and Training (POST) Council. The email was in response to an earlier request by SA THOMAS for P.O.S.T. records review for Inspector ERIC HEINZE, Detective DANNY DOYLE, and Officer KRIS HUTCHENS. This investigative act was in reference to a request from the East Point Police Department for the Georgia Bureau of Investigation Atlanta Regional Office to investigate a use of force incident that resulted in the death of JAMARION ROBINSON. Dir. POWELL provided the following:

In regards to ERIC HEINZE:

1. Does the officer possess a P.O.S.T. certification and what is the status of the certification? Basic Law Enforcement Certification Valid
2. Has the officer completed the required training for each calendar year since completing the basic course? YES
3. Does the officer have power of arrest? YES; however, he is not a currently sworn Georgia Peace Officer. Last employed with the city of East Point 01/29/02 through 10/02/2005.
4. Does the officer's P.O.S.T. record show either the required training or a waiver

10-0034-34-17

issued for each required calendar year? YES

5. If the officer's record does not show either the required training or a waiver issued for each required calendar year, has the officer submitted all required training to P.O.S.T. to be documented on their record? N/A
6. Are there or have there been any prior, pending, or active P.O.S.T. investigations or complaints concerning the officer? None noted
7. Are there any other P.O.S.T. issues concerning the officer not addressed in the above questions? None noted

Attached is a copy of HEINZE's P.O.S.T. profile.

In regards to DANIEL "DANNY" DOYLE:

1. Does the officer possess a P.O.S.T. certification and what is the status of the certification? Basic Law Enforcement Certification Valid
2. Has the officer completed the required training for each calendar year since completing the basic course? YES
3. Does the officer have power of arrest? YES
4. Does the officer's P.O.S.T. record show either the required training or a waiver issued for each required calendar year? YES

10-0034-34-17

5. If the officer's record does not show either the required training or a waiver issued for each required calendar year, has the officer submitted all required training to P.O.S.T. to be documented on their record? N/A
6. Are there or have there been any prior, pending, or active P.O.S.T. investigations or complaints concerning the officer? Two previous POST Investigations. The case in 1991 resulted in 24 months probation and the 1994 case was administratively dismissed. The officer is in good standing.
7. Are there any other P.O.S.T. issues concerning the officer not addressed in the above questions? None noted

Attached is a copy of DOYLE's P.O.S.T. profile.

In regards to KRISTOPHER HUTCHENS:

1. Does the officer possess a P.O.S.T. certification and what is the status of the certification? Basic Law Enforcement Certification Valid
2. Has the officer completed the required training for each calendar year since completing the basic course? YES
3. Does the officer have power of arrest? YES
4. Does the officer's P.O.S.T. record show either the required training or a waiver

10-0034-34-17

issued for each required calendar year? YES

5. If the officer's record does not show either the required training or a waiver issued for each required calendar year, has the officer submitted all required training to P.O.S.T. to be documented on their record? N/A
6. Are there or have there been any prior, pending, or active P.O.S.T. investigations or complaints concerning the officer? None noted
7. Are there any other P.O.S.T. issues concerning the officer not addressed in the above questions? None noted

Attached is a copy of HUTCHENS' P.O.S.T. profile.

The P.O.S.T. profiles provided by Dir. POWELL will be attached to this summary. See the attached records for additional details.

INVESTIGATIVE SUMMARY**

10-0034-34-17

On Wednesday, September 7, 2016, at approximately 12:54, Special Agent (SA) CLINTON THOMAS was in receipt of an email from Director RYAN POWELL, GA Peace Officers Standards and Training (P.O.S.T.) Council. The email contained documents regarding previous P.O.S.T. investigations of Detective DANNY DOYLE. The documents were requested by SA THOMAS in regard to a request from the East Point Police Department for the Georgia Bureau of Investigation to investigate a use of force incident that resulted in the death of JAMARION ROBINSON.

This first case, dated July 26, 1993, resulted in a 24-month probation. The second case, dated November 30, 1994, was dismissed.

The two (2) P.O.S.T. investigative reports will be attached to this case file and should be referred to for additional details.

INVESTIGATIVE SUMMARY**

10-0034-34-17

On Thursday, September 8, 2016 at approximately 3:04 PM, Special Agent (SA) CLINTON THOMAS reviewed US Marshal's Office personnel file information for Inspector ERIC HEINZE; the information was provided by Senior Inspector CHRISTOPHER GABOR. This investigative act was in reference to a request from the East Point Police Department for the Georgia Bureau of Investigation Atlanta Regional Office to investigate a use of force incident that resulted in the death of JAMARION ROBINSON. Inspector HEINZE was identified as one (1) of three (3) officers who fired their weapon during this incident.

Insp. HEINZE had four performance evaluations dating from 2012 through 2015. He received a rating of "Excellent (E4)" for 2012, and received ratings of "Outstanding (E5)" for 2013 through 2015. Additionally, Insp. HEINZE did not have any record of adverse actions taken against him.

The above is merely a summation of the information from Insp. HEINZE's personnel file; for additional details, refer to the complete file maintained by the US Department of Justice.

INVESTIGATIVE SUMMARY**

10-0034-34-17

On Thursday, September 8, 2016, at approximately 3:15 PM, Special Agent (SA) CLINTON THOMAS received a copy of the latest firearms qualification scores for Inspector ERIC HEINZE; the information was provided by Senior Inspector CHRISTOPHER GABOR. This investigative act was in reference to a request from the East Point Police Department for the Georgia Bureau of Investigation Atlanta Regional Office to investigate a use of force incident that resulted in the death of JAMARION ROBINSON. Inspector HEINZE was identified as one (1) of three (3) officers who fired their weapon during this incident.

SA THOMAS reviewed the firearms qualification report, dated April 15, 2016, for Insp. HEINZE and noted that one (1) of the qualification scores was for a Glock 22 .40 caliber handgun with serial number FEV-771. SA THOMAS noted that the serial number for the Glock was the same as the serial number from the weapon collected by SA THOMAS on August 5, 2016.

For additional details, refer to the attached firearms qualification report.

INVESTIGATIVE SUMMARY**

10-0034-34-17

On Tuesday, September 13, 2016 at approximately 3:00 PM, Special Agent (SA) CLINTON THOMAS made notification to the Norcross Police Department that a weapon entered on GCIC as stolen by their department was recovered during this investigation. This investigative act was in reference to a request from the East Point Police Department for the Georgia Bureau of Investigation Atlanta Regional Office to investigate a use of force incident that resulted in the death of JAMARION ROBINSON.

SA THOMAS previously requested ATF eTrace and GCIC queries for a HiPoint CF380 .380 caliber pistol with serial number P895315. The weapon was listed as stolen in GCIC by the Norcross Police Department in December of 2013. SA THOMAS contacted Norcross PD and notified an investigator that the weapon was recovered and was in GBI evidence.

The eTrace and GCIC query results will be attached to this summary.
